

Clyde Thompson Papers

2004:014

Processed by:

Emily Hyatt (2005-2006); Patsy Colbert (2007-2008)

Historical/Biographical Sketch

Ruby Clyde Thompson was born November 13, 1899 in Lufkin, Texas and died February 17, 1987. He married Ossie Green in 1922 and they had two children, Donald and R.C. Thompson. Clyde Thompson graduated from Huntington High School in 1916 and then attended Texas Commercial College in Tyler, enrolling in a stenography course. Shortly after high school graduation, he obtained his first job as a stenographer on July 1, 1916 at Huntington State Bank in Huntington, Texas, where he worked in the mornings. In the afternoons, Thompson worked for prominent Lufkin attorney J.J. Collins.

Clyde Thompson began working as a stenographer for Southern Pine Lumber Company on October 1, 1916, performing various office duties. He eventually handled all insurance issues, including workmen's compensation claims, was the Co-Manager's assistant, and handled legislative matters. Thompson was later promoted to Purchasing Agent, a position he held for 30 years. Additionally, Mr. Thompson handled all government forms for industrial production during World War II. He became Superintendent of Logging Operations in 1948 and Vice President of the Forest Division in 1958. He began his tenure on the Board of Directors of SPLCo in 1951 and retired as Vice President and Director of Temple Eastex in 1976. Thompson continued to hold his position as secretary and treasurer of the Temple Political Action Committee until his

death in 1987. All in all, his career spanned three generations of the Temple Family with over 70 years of service to the company.

Clyde Thompson also held many community positions. He was elected the first Mayor of Diboll when the city incorporated in 1962 and held that position until 1977. He was very active in the communities of Diboll and Lufkin and served on numerous boards in Angelina County. He served as Democratic Precinct Committee Chairman for many years and was a member of The Board of Regents of Texas A&M University for six years. He was president of the Texas Forestry Association as well as the Texas Lumber Manufacturer's Association and was a director of the Texas Forestry Museum. Mr. Thompson was also a member of the Burke Masonic Lodge.

Scope and Content Note

This collection contains 5 series: Correspondence, Compensation Claims, Financial, Logging and Other series.

The correspondence dates from 1936-1976. The 1943 correspondence contains information pertaining to World War II and the 1961 correspondence includes information on the City of Diboll's incorporation. Mr. Thompson's job was so heavily involved in the logging operations, that information on logging is also located in the correspondence files.

The compensation claims are for Southern Pine Lumber Company, Temple Lumber Company, Temple White and Temple Manufacturing Company dating from 1934-1947.

The Financial series includes payroll records dating from 1935 -1946.

The logging series contains time books from 1940-42 and records of the Louisiana Operations 1941-1944. Records of logging contractors date from 1966-1974. Public scales receipts are from 1969 and 1973.

This collection also contains World War II production priority manuals and guidelines for 1942-1944.

Physical Description

This collection contains 92 ft³ of material.

Arrangement Note

Collection is arranged chronologically within each series. Original order was maintained when possible.

Provenance Note

These records are part of a larger collection of business records transferred from storage at the old Southern Pine Lumber Company commissary building to The History Center and its predecessor, the T.L.L. Temple Memorial Archives, between 1993 and 2004. Other compensation records preceding the ones in this collection were transferred to the Archives in August 1993 (see collection 1993:017).
