Miss Esther Perington—

Dear friend

It is with pleasure that
I attempt to write you
a few lines as I said
I would though I guess
it will surprise you
but I try to do as I
promise. We are all
still here and this
is a dreary day
We would of gone today
if it hadnt of rained
We will start as soon
as it clears off, of course

Bellie said tell
Erin howdy for her
