Dear little gir, how badly you
misjudge me. in saying
I had forgotten you. though
I have been knocking a
bout a goodeal for the last
year or to, and I only learned
your address since I come
home. you know I lived
in Grimes County. last year.

Esther I guess
you are quite a young
lady by this time. I sure
wish I could see you,

it is raining now,
and has been for the last
three weeks.

By the way come
down this summer and
spend a month with us.
I have the prettiest
buggie horse you ever seen
I get a biggy & we will
take in the country.

How is the
rest of your folks. tell
them hello for me.
Write soon

I remain your friend
