believe you loved
me but I have
just about give
up all hopes. I hear

to think the girl I
ever loved has
gone back on me

hate. As Darling I
can say one thing
you are the only
girl I ever loved
& are the only

H

 to love. I never
 will have any
 thing to do with
 any other girl.
 You are the
 star of my heart
 & the ideal of my
 eye: well good

 write more but
 they isent in my
 use. oh it for it
 wouldn't be so
 with pleasure at
 all. so as is real soon,
