Miss Esther, Pennington

Hempson, Texas.

Dear friend:

I recd your not some few
days past. I had decided that
you never would write
me a gain. As you didnt
answer my last letter.

I supposed
that Fred. Sanford. had
told you to stop corresponding
with me. Are you
writing to him now?

Your little Father
D, got a considerable flogging
the other day. I had to pay
\$11.50 fine with it.
