My dear friend

I will this eve take
the Responsibility on
my self. in writing
you a few lines
in regards to the way
you have treated
me. Esther you
have been a true
lover at mine
for about 2 years.

2
▽ I thought I was
one of yours But
time has proved
your love untrue
I there fore, I think
it would be best
for us to be no
more as I guess
nuthin else would
satisfie you any
better than to
receive this little
short missive from
me. But you can
say that you
have recked on

3

Boyes like Esther
I never will
love another
girl as I have
loved you. for
you was my
choic in life
I would be a
serment for you
if you only would
asked me to af
Beyn. But never
the less
you have
mistreated me a
good deal & this

time you have
dun my this way
+ there here I think
it Best for ~~us~~
us to. Be no
more for next
for ever.

Butter you
can do what
you want to with
my Picture But I
want to keep yours
in remembrance of
you. at coase.
I can remember you

b-

with out the
picture But I had
rather keep it
I would like
very much to
exchange letters
for I no how
girls are after
I some times
before they Brent
up. how they
will do with
the letters on
that account I
would rather
have mine & you

6

I shall have yours.
I guess I love I rather
thought you have
learn to love
another if you
loved me at first
I used to think
you loved me
But ~~since~~ since
you have acted
like you have
I have gave up
all hopes of you
ever loving me
at first But I
can say and

7

thing sure I
did love you
But some other
girl has taken
your place. not
as love but
just to go ~~through~~
through like with
me. I guess my
single days is
about over. I
have had a good
time in my
single life But
I think I am
ready to enter in

8

to marriage life
I guess I will
Be a married
Boy. By Xmas I
m I am not
young but as
long as I am
single I never
will have any
thing at all. I
think it best
for me to put
up my single
life & try to make
something.

9

well Esther
God Bless your
little sweet soul.
I will hope to
say ~~for~~ good By. it
Breaks my heart
to say so But I
will have to do
so I dont no
whether I will
