Mr Frank Ramsey

My Dearest friend
as time has presented I will take
the greatest of pleasure in answering
your ever welcome letter which came
to hand yesterday. I was more than
glad to hear from you but I had
much rather of seen you for the
happiest time of my life is when
I am with you. Pinkie ate dinner
with me today and we sure
did enjoy our selves fine she
said she like to of beat me Tuesday
say I was so sorry that you had
any thing about me that was un-
pleasant, don't believe, no I won't

So far be true

ask you not to believe it for you
know to do as you please. Allie Crump
I guess did the talking. Mamma went
down there Tuesday evening and she
did more talking about you to her
than she ever did to me. I will tell you
all that I can Sunday, and Allie is
making trouble on my part she
talked to me and it did no good
and so she has began to do some
sively talking to Mamma and has
Mamma after me but can't any
one change my love for you the
whole world could go back on you but
I will love you just the same I will
never change I will be true through it all

C for Care for me

but if you are the least dissatisfied with
 my name or looks, why you know
 you are free, I saw George and Anna
 Thursday and they looked happy, as I
 suppose they ~~were~~ Oh say Mrs Wright
 is real sick so excuse me a minute
 I sure did enjoy that talk the other
 night if it was one o'clock when
 you ^{left} and also enjoyed the ride home
 but the ride would not of been worth
 a cent to me if you had not been
 the driver, I wish I could see you
 now, it seems like it has been 2 or
 3 weeks since I saw you but you
 must excuse me for writing so
 soon Oh let me tell you some of

I far dont far get me

my troubles I went out to give the hogs
some milk I did not come to give
but I the milk and then got in
the pen so they rocked me down
and then walked over me and
I shure was pretty when I got out
and the old cow kicked me bad
so I have had some great trouble
haven't I say yes, you know I have
a hard old time any way. Well I
must close so write soon and
a long letter so good. By I remain
your little old girl

Esther Permygton.
