INTRODUCTION

The present volume constitutes the 1928 edition of the Lufkin City Directory. The work embodies a complete epitome of the civic, commercial, social and industrial interests and activities of the city. It is a modern Directory in all its parts and includes all of the essential features which have been proven so satisfactory to our patrons in previous issues; these have been retained and amplified, and improvements have been added as suggested by experience in order to add to the value and usefulness of the Directory, thus fully meeting the requirements of patrons; the approbation and continued patronage accorded the work are constant incentives to better service.

The publication has had the benefit and advantage of the complete organization of the publishers, and of the skill and experience of their corps of enumerators and compilers added to the courteous co-operation of citizens, in the production of the volume.

The several essential departments of the Directory are set forth in the order following:

THE MISCELLANEOUS DEPARTMENT, pages 15 to 31, contains information concerning State, County and City Government, Churches, Courts, Schools, Clubs and Societies, Secret Organizations, Post Office, United States Officials, Etc.

THE BUYERS' GUIDE occupies pages 29 to 48. This section of the Directory, printed on tinted paper, includes numerous advertisements of the leading manufacturing, business and professional interests of Lufkin. They have been carefully grouped by departments and are indexed under classified headings and otherwise in various parts of the Directory. A casual perusal of these advertisements will picture many interesting phases of the city's activities.

THE ALPHABETICAL LIST OF NAMES of citizens, business firms and corporations, is included in pages 49 to 179.

THE STREET AND AVENUE GUIDE AND DIRECTORY OF HOUSEHOLDERS is embraced in pages 181 to 220.

THE CLASSIFIED BUSINESS DIRECTORY will be found on pages 221 to 263. In this department the names of all business men and concerns in Lufkin are compiled first by headings appropriate to the class of business or industry pursued, then by names in alphabetical order.

Lufkin Chamber of Commerce

The Lufkin Chamber of Commerce is a live wire organization of business men whose chief aim is the up-building and betterment of civic interests. It is its purpose to foster and encourage any industry or commercial enterprise seeking a location here.

POPULATION

The estimated population of Lufkin is 10,280, based on the number of individual names in the Alphabetical section of the Directory, allowing for the number of women and children whose names are not included. Territory immediately adjacent, which is part of the city, as far as business and social life are concerned, is included in the Directory.

MUNICIPAL PUBLICITY**Advertising Lufkin**

An important function of the Directory is to set forth the characteristics and advantages of the city as a place of residence, as a business location, as an industrial site and as an educational center. The Directory acts as a mirror, reflecting all that is noteworthy in the city in the above respects. In order to spread this information regarding the city broadcast over the country the publishers place copies of this issue of the Directory in Directory Libraries which are maintained in all the larger cities of the country, where they are readily available for reference use by the public. There they serve as perpetual advertisements of Lufkin, for business men the country over realize that the City Directory represents the community as it really is.

The publishers take this opportunity of thanking the citizens for valuable assistance rendered in the way of furnishing information concerning themselves and their friends for this Directory, and also the public spirited and progressive business and professional men for support given in the way of patronage.

LUFKIN TEXAS

LUFKIN

"THE CITY THAT NEVER SLEEPS."

A Record of Its Physical Attributes, Achievements, Citizenship and Varied Activities

Lufkin, in Angelina County, is the railroad, manufacturing, industrial and commercial center of East Texas.

From 1921 to 1925, the taxable wealth of Lufkin increased from \$3,956,405.00 to \$5,000,000.00

The scholastic enrollment of Lufkin Independent School District has increased from 2,445 in 1922, to 2600 at the present time.

The school buildings, equipment and real estate of the Lufkin Independent School District were valued at \$280,000 in 1923 and increased to \$500,000; in 1927.

Lufkin has the largest foundry and machine shop in the South, an immense wagon factory, a veneering plant, a cotton cleaner manufacturing plant, a syrup standardization plant, a chemical manufacturing plant, railroad division shops and round houses, several large sawmills, manufacturing millions of feet of lumber—both soft and hard wood annually. These industries give employment to a small army of workmen, the payroll aggregating three million per annum.

Lufkin has a municipally owned waterworks and sewerage plant.

Lufkin has a modern electric light plant, ice plant, bottling works, ice cream manufacturing plant, steam laundries, etc.

Lufkin has eighteen blocks of substantial brick business houses. It has six wholesale grocery and feed stores and is the trading center for a wide scope of country, including portions of many adjoining counties.

Lufkin has seven miles of paved streets, or more than any city of equal size in Texas. Will be extended this year.

Lufkin lists amongst her assets splendid Hotel accommodations, a new five-story fire proof hotel, one of the finest in Eastern Texas.

Lufkin has two banks with combined resources approximating \$3,000,000.

Lufkin has the biggest monthly payroll of any city of her size in Texas.

Angelina County and Lufkin have 85 miles of good road construction.

Angelina County and Lufkin today offer the best opportunity to be found anywhere for the manufacturer, homeseeker, farmer, stockman, or practical oil man.

Lufkin is 118 miles from Houston, on the South, 114 miles from Shreveport, on the North, 92 miles from Beaumont, on the East, and 92 miles from Tyler, on the West.

Things Needed by Lufkin and Angelina County

Lufkin needs a furniture factory to work into the finished product the millions of feet of excellent hardwood lumber within her reach.

Lufkin needs a cotton mill to assist in manufacturing our home grown cotton into finished fabric, thus saving expensive freight bills in exporting the cotton and importing the cotton goods.

Lufkin needs a modern oil refinery, being situated directly on an oil pipe line extending from Oklahoma to the Gulf. Her superior railroad facilities offer special advantages for an industry of this kind.

Lufkin needs a crate and box factory to take care of the demands of a rapidly developing truck and fruit growing industry.

Lufkin needs a modern creamery. No section of Texas offers better advantages than Angelina County for dairying and stock raising. The climate is particularly mild, the rainfall is abundant, and Bermuda grass grows luxuriantly.

Lufkin and Angelina County need hundreds of progressive farmers to take over the lands offered to the homeseekers and make them productive and profitable. There is wealth for every one who understands stock raising, dairying and kindred industries.

We invite you to visit our city or to inquire by letter addressed to the Secretary of our Chamber of Commerce regarding any of the many opportunities touched on here only briefly for lack of space.

ANGELINA COUNTY

Contains 880 square miles.

Has 2600 farms.

Many acres of pine and hardwood timber.

Thousands of acres splendid tillable lands.

Well watered tracts for live stock production.

Excellent opportunities for the production of many fruits and vegetables; also ribbon cane, finest quality, and all general crops produced in the South.

Angelina County needs hundreds of progressive farmers to use the tillable lands and make them productive and profitable.

In Angelina County evidence of shallow oil has been found at different points, such as in the Jennings field, and near Peavey Switch on the G. L. & N. Railroad.

DOMESTIC MAIL MATTER

Classification and Rates of Postage

Domestic mail matter includes matter deposited in the mails for local delivery, or for transmission from one place to another within the United States or to or from or between the possessions of the United States (Porto Rico and Hawaii are included in the term "United States." The Philippine Archipelago, Guam, Tutuila and Manua and other islands of the Samoan group east of longitude 171 degrees west of Greenwich, and the Canal Zone are included in the term "Possessions of the United States.") Domestic rates and conditions apply also to mail matter addressed to officers and members of crews of vessels of war of the United States, to matter sent to the United States Postal Agency at Shanghai, China and other places where the United States mail service is in operation, and letters and postal cards will be dispatched to Canada, Cuba, Mexico and the Republic of Panama (excepting that to Canada and Mexico one full rate of postage must be prepaid, and to Cuba and Panama whether prepaid or not).

Other articles than letters for Cuba and Panama must be prepaid at least in part, and for Canada and Mexico in full. The domestic rates apply also to letters, but not other articles, addressed to Great Britain, Ireland and Newfoundland, Bahamas, Barbados, British Honduras, Dutch West Indies and the Leeward Islands. The 2-cent rate to Germany has been suspended. Mail matter is divided into four classes:

First Class—Written and sealed matter, 2 cents an ounce or fraction thereof, except drop letters. All drop letters, that is, letters mailed for delivery from the office at which posted, including those for delivery by city, rural or other carrier of such office, are required to have postage paid on them at the rate of 2 cents an ounce or fraction thereof. Postal cards are required to be prepaid, 1 cent. Private mailing cards, 2 cents.

Second Class—Periodical publications: 2 cents for each two ounces or fraction thereof up to eight ounces, and fourth class zone rates plus 2 cents service charge on each parcel over 8 ounces.

Third Class—Miscellaneous printed matter (on paper) weighing eight ounces or less: 1½ cents for each two ounces or fraction thereof.

Fourth Class (Parcel Post)—All unsealed matter not included in previous classes: (a) Parcels weighing four ounces or less, except books, seeds, plants, etc; 1 cent for each ounce or fraction thereof, any distance; (b) parcels weighing eight ounces or less, containing books, seeds, plants, etc, 1 cent for each two ounces of fraction thereof, regardless of distance; (c) parcels weighing more than eight ounces, containing books, seeds, plants, etc; parcels of miscellaneous printed matter weighing more than four pounds, and all other parcels of fourth-class matter weighing more than four ounces are chargeable according to distance or zone at pound rates, a fraction of a pound being computed a full pound; (d) a local rate of 5 cents for the first pound and 1 cent for each additional pound up to fifty pounds is available. All parcels must bear the return address and 2 cents additional for handling charges.

Special Delivery—A special (10c) delivery stamp in addition to postage, secures immediate delivery at any United States post office up to two pounds: over two pounds but not more than ten pounds, 15 cents over ten pounds 20 cents.

Zone Rates

First and Second Zone rate: 5 cents for the first pound or fraction thereof and 2 cents for each additional pound or fraction thereof.

Third Zone rate: 6 cents for the first pound or fraction thereof and 2 cents for each additional pound or fraction thereof.

Fourth Zone rate: 7 cents for the first pound or fraction thereof and 4 cents for each additional pound or fraction thereof.

Fifth Zone rate: 8 cents for the first pound or fraction thereof and 6 cents for each additional pound or fraction thereof.

Sixth Zone rate: 9 cents for the first pound or fraction thereof and 8 cents for each additional pound or fraction thereof.

Seventh Zone rate: 11 cents for the first pound or fraction thereof and 10 cents for each additional pound or fraction thereof.

Eighth Zone rate: 12 cents for the first pound or fraction thereof and 12 cents for each additional pound or fraction thereof.

Zone Limits: The limit of the first zone is approximately 50 miles from the point where a package is mailed; second, 150; third, 300; fourth, 600; fifth, 1000; sixth, 1400; seventh, 1800; eighth, everything beyond the limits of the seventh and within the United States or its possessions.

Local Rates

The local rate applies to parcels mailed under the following conditions:

(1) At any postoffice for local delivery at such office;

(2) At any city letter carrier office, or at any point within its delivery limits, for delivery by carriers from that office

(3) At any postoffice from which a rural route starts, for delivery on such route, or when mailed at any point on a rural route for delivery at any other point thereon, or at the office from which the route starts, or for delivery on any other rural route starting from the same office

Limit of Weight

The limit of weight of fourth-class matter is 50 pounds for the parcels mailed for delivery within the first, second and third zones, and 20 pounds for all other zones

Size of Parcels

Parcel post matter may not exceed 34 inches in length and girth combined. In measuring a parcel the greatest distance in a straight line between the ends, (but not around the parcel), is taken as its length, while the distance around the parcel at its thickest part is taken as its girth. For example, a parcel 35 inches long, 10 inches wide and 5 inches high measures 65 inches in length and girth combined

Return Address

A parcel of fourth-class matter may not be accepted for mailing unless it bears the name and address of the sender, which should be preceded by the word "from"

Insurance

Fourth-class or domestic parcel post mail (but no other) may be insured against loss upon payment of a fee of 5 cents for value not exceeding \$5, 8 cents for value not exceeding \$25, and 10 cents for value not exceeding \$50, and 25c for value not exceeding \$100, in addition to the postage, both to be prepaid with stamps affixed

Such mail may be insured at any post office or station thereof, or by rural carriers. The senders must fill out an insurance tag, which will be furnished him on request, to be attached to the parcel. Return receipt showing delivery 3 cents extra

THE REGISTRY SYSTEM

Letters containing money, or parcels of valuable matter, should not be sent in the mails without being postage, foreign or domestic. Safe transit and proper registered. The registry fee is 15 cents in addition to delivery are assured. A receipt signed by the ad-

addressee is returned to the sender, without extra cost. A domestic registered letter addressed to any United States post office is insured for its value up to \$50.00 and 20 cents for indemnity not to exceed \$100.00

FOREIGN POSTAGE RATES

Letters to foreign countries (excepting Great Britain, Ireland and Newfoundland, Bahamas, Barbados, British Honduras, Dutch West Indies, Leeward Islands and Germany if dispatched by steamers which land at German ports) 5 cents for the first ounce, or fraction of an ounce, and 3 cents for each additional ounce, or fraction of an ounce. Stamps or forms of prepayment, whether current or obsolete, canceled or uncanceled, as well as printed articles constituting the representative sign or monetary value, and articles in typewriting or imitation of typewriting, are subject to postage at the letter rate. Monetary value is held by the International Bureau of the Universal Postal Union to attach to bonds, bank notes, commercial bills of exchange, etc., which have been fully executed by the makers

Postal Cards—2 cents each, for single, and 4 cents each for double cards

Printed Matter of All Kinds—1½ cents for each 2 ounces or fraction thereof

Commercial Papers—6 cents for the first 10 ounces or less and 1½ cents for each additional 2 ounce or fraction thereof

Samples of Merchandise—2 cents for the first 4 ounces or less, and 1 cent for each additional 2 ounces or fraction thereof

POST OFFICE MONEY ORDERS

The postal money order system offers to the public a safe, cheap and convenient method of making remittances by mail to all parts of the United States and its possessions, as well as foreign countries

Application for a money order must be made on a form furnished for that purpose and be presented at the money order window of the postoffice or one of its stations. Money orders are issued for any desired amount from 1 cent to \$100, and when a larger sum than \$100 is to be sent, any number or additional orders may be obtained. Applications may be made through rural carrier, who will furnish the necessary forms and give receipts for the amounts

International money orders, payable in almost any part of the world, may be obtained at all of the larger post offices and at many of the smaller ones

Fees for money orders payable in the United States (which includes Hawaii and Porto Rico) and its possessions, comprising the Canal Zone, Guam, the Philippines and Tutuila, Samoa; also for orders payable in Bermuda, British Guiana, British Honduras, Canada, Cuba, Mexico, Newfoundland at the United States Postal Agency at Shanghai (China) in the Bahama Islands and in certain other islands in the West Indies:

for orders from \$0.01 to \$2.50.....	5 cents
from 2.50 to 5.00.....	7 cents
from 5.01 to 10.00.....	10 cents
from 10.01 to 20.00.....	12 cents
from 20.01 to 40.00.....	15 cents
from 40.01 to 60.00.....	18 cents
from 60.01 to 80.00.....	20 cents
from 80.01 to 100.00.....	22 cents

The fees for foreign money orders payable in any country on which a money order may be drawn other than those named above, may be ascertained upon inquiry at the postoffice.

POSTAL SAVINGS SYSTEM

The Postal Savings System provides facilities for depositing savings at interest, with the security of the United States Government for repayment

No charge or fee is collected or required in connection with the opening of an account or the subsequent deposit or withdrawal of money. The proper money order fee is charged, however, when withdrawals are made by mail.

Any person of the age of ten years or over may become a depositor. The account of a married woman is free from the control or interference of her husband. No person can have more than one account at the same time

An account can not be opened for less than \$1, nor can fractions of \$1 be deposited or withdrawn. Amounts less than \$1 may, however, be saved by the purchase of 10-cent postal savings cards and adhesive 10-cent postal savings stamps. A postal savings card with nine postal savings stamps affixed will be redeemed in cash for \$1, or will be accepted as a deposit of \$1 either in opening an account or adding to an existing account. No person is permitted to deposit more than \$100 in any one calendar month, nor to have a balance to his credit at one time of more than \$2500, exclusive of interest. An account may be opened through a representative. After an account is opened deposits may be made through a representative or by mail.

Depositors receive postal savings certificates covering the amount of each deposit made. These certificates are issued in fixed denominations of \$1, \$2, \$5, \$10, \$20, 50 and \$100, and are valid until paid, without limitation as to time. Postmasters are not permitted to receive savings certificates for safe keeping.

Interest will be allowed on all certificates at the rate of 2 per cent for each full year that the money remains on deposit, beginning on the first day of the month following the month in which the deposit is made. Interest continues to accrue on deposits as long as the certificates remain outstanding.

A depositor may at any time withdraw the whole or any part of his deposits, with any interest payable, by surrendering at his depository office savings certificates covering the desired amount. Withdrawals may also be made through a representative or by mail.

Do you realize that a City Directory advertisement is a testimonial to the permanency, the stability, of the advertiser?

That's the sort of concern all of us want to patronize, because we know when they sell us merchandise they are behind it in every way, today, tomorrow, and for the years to come.

"Fly-by-night," "fire-sale" and other temporary or "get-rich-quick" concerns rarely appear in the City Directory.

And it is a noteworthy fact that the concerns which advertise one year in the city directory are there again next year. 90% of directory advertising is renewed.

Directory advertising is profitable. In connection with the classified business headings it is doubly effective.

May we explain how and why it will pay you?
