Miss Emma Deen Ramsey
Timpson Texas

Dear Granddaughter I hope this
will find you feeling better
and soon can go back to school
we all are well us and Alton
and Treecie was to see Lillie
last night she is much better
now every thing is dull here
we don't have work more than
half time at H B L and Co
but all the other places are
in the same rut and cut prices
for the operators I only had
4 dollars and 16 cts last sat-
will have less this week but I
won't complain I know it
could be worse and looks like
it will be worse well Emma
Deen you all write me soon
Love from G. M
