

Thursday morn.

Dear Mother and all

How are you all
this morning. I feel very
well if it was not for
the old bad cold I
have. I think it will
be better in a day or
two.

What have you all
been doing this week
We are going to wash
today and I am going
to dye that jacket if
it is fair this after-
noon.

How is Denard. Tell
him to be a good boy.
I tried to get him
to stay down here
with me but he would
not. Edward is still
in the bed. He is taking
oil now. I got a card
from Len. yesterday. I
hope he can come
home. Friday nite. Love
Little

*I hope to see you all
soon.*
