

Dear Mother,

Dear Mother and all,
I am wondering what you all are doing this rainy day. It has rained down here all the week. I have not got to wash this week. I am going to wash Leonard's clothes this eve and dry them in the house. I have not choped any cotton. I picked 3 qt of berries Monday morn'g before the rain. I got a card from Leonard. I guess you all got one too. I sure hope he can come home Friday nite. Sat is a Holiday. I got my dress made. Tell Dorthy she can wear it some time if it is not too small.

I am afraid we can't go to
the fifth sun morning
as the road is
so bad, I hope
you all soon.
