

Dear Mother,

Dear Mother and all:
I am wondering what
you all are doing this
morning, as far as we
are washing.

I got a card from Len
yesterday. he said, he
wished it would rain
for the dust was so
bad where he was
working. Mother's beans
are fixed up to the
top and her cucumbers
are not doing any good.
She can 33 jars of beans
last week. Have you
can lots this week?
Has Bertha got me a
dozen jars of Pickles
Put up ~~the~~ 29 quarts
she had a good time
at Edna's. I hope Len
will come home Friday
You all be good

Tell Denard Hullo, and for
him to be a good boy.
I have got my little
Dorothy you must wear it.
Love
L. H. H.
