Dear Home folks:

just a few lines to let you hear from me again as it seems like I must do most all the writing as I have only got one Card from you sence I been up here.

I hope this will find you all well; as for us we are D.K except I don't feel well, I have been having a headach the past few days and my feet have been giving me much trouble hurting me.

Have you all hired any more help with the Crop yet? how is every-thing looking

by now? I will send you some money in a few days.

Ellis I talked to Amos the other day and he sure did brag on you being a good hand, he ask me about you. I don't get to work in Everette's place anymore as I am working at that Texas Station.

Say Dennerd have you killed any birds with that air-gun? I bet you and Ellis have killed some rats.

Guess you all are ^{almost} without milk by now are you not? or has old spot come in yet? how is your Colt looking pretty I guess. Have you plowed themare

3.

any yet? have you all had any rain lately? it has been over a week since we had any rain.

I got the package Tuesday (yesterday) but you just sent one (1) Cap top, I told you to send both of them. Oh yes, Ellis you can have that Kakahi suit of mine to ware, you get someone to help you plow as you need some help. I was very sorry to learn about Mr Alford's death. I thought he was improving I don't have any news Ans soon
Love,

(over) Lenard R

P.S. If I get any mail
there, will you please send
it on up here to me
