Dear Mama & Ellis:

Just a line in ans
to your letter, which I was glad
to get Monday, I was glad to
learn that you all were well,
I hope this will find you all
feeling fine, as for me I am
O.K at present. As Dennerd and
Emma wrote me seprate
letters, I am answering the
seprate and writing you and
Ellis together. I am off today
untill 5³⁰ o'clock this afternoon.
I would have written yesterday
when I mailed the money but
I didnt have time, I got Lillie
to write a line for me.

2.

How have you all been getting along these hot days? O.K. I hope. we sure have been having the hot weather and rain up here. we almost had another flood last Thursday. I am glad that you are not having the rain like we are.

Does the Crop as a whole look pretty good? do you think the feed Crop will be pretty good? How does the sorghum and peanuts look? Guess there are plenty "cool-weavels". do you think the pease will be pretty good? Guess you have some ripe Peaches by now.

Say Ellis you can get about 3 sacks of fertilizer and put around

3

That patch of Cotton there below
the peanuts, if you think it will
pay to use it.

what was the matter with
the horse, and how come the
mare to get Choked? did you
get the "vet Dr" to doctor the
horse? hope he is O.K by now.

Say Ellis. how does the
whole Crop look? I know that
it dont look very encouraging
but we should be glad that it
looks as well as it does, as it
could have been so much
worse. I dont want you to think
that I expect any pay back
for the fertilizier I bought even
if you had made a good Crop.
Guess you will get thru plowing

About August 1st, want you?
I hope you kill lots of that
bemerda grass while it is dry.

Lillie + Everette are O.K., they are
planning on taking a vacation
around August 1st. I don't know
whether they will go any-where or
not. Everette wants to go to ^{the} Mexico.
guess I will batch if they go off.

I will send that Kodak in
a day or two. you see we have to
carry it to the Post office to mail
it and it is about 5 or six miles to
the office

Oh yes O-Daniel finally won
The race, but the sure hated to
give it to him. and as soon as you
get the money so I will know if you got
it. I don't have any news. Ays soon
Love, Lenard (our)

P. S. Say, Ellis how would you
like to come back up here and
work? do you think you would like
it? Yates was bragging on you
the other day, he sure did like you.

Mama & Ellis.
