

Dallas Texas.

Oct 2.

Dear mama & all:

will answer your letter received a few days past. glad all were well. we are ok, having some bad rainy weather, I've been looking for it to turn cool. & hoping it would.

Ed got your card yesterday, we also got a card from him. to day said he was well.

Did you all get the sea nuts in he gave it rained or did it (over

rain down there Len,
said they were having
floods in Wichita Falls.

was Emma glad
to get home, you
& her ought to have
a time there by your
selves, but I guess it
gets pretty lonesome.

Tell Emma she's
got a letter here from
a Watson girl in
Wichita Falls I haven't
opened it will send
it to her if she wants
it also a card from
a Brooks girl.

We've been reading
about an oil boom
in Shelby Co. is there
any thing to it? sure

hope so. a man from
Center was by the station
talking to Everett & El.
& he said that it was
a sure thing the way
the paper read they're
drilling not far from
you all.

Well I've got my
day hours back now
except Saturday & Sunday
don't know how long
I^{ve} got to keep them. Everett
& El. still have the
same hours.

They aught to raise
them as every thing is
going up. Milk went
up 2 cts to a quart (over)

yesterday + they are
 putting a tent an
 ever thing. dont see
 how they expect us to
 live. Elmo + his wife
 have moved to California
 + archie's folks are
 going just as soon
 as they get the money
 to go on. They said
 you could get a job
 out there easy. Archie
 said they pay ^{\$}27⁵⁰
 a week out there for
 a gas station man.
 + look what El gets -
 + works 12 hours a
 day to boot.

Its a long ways
 out there + I dont

5

want to go my self.
but we may have
to do some thing.

How is Ben. getting
along in school. you
never did say who the
bus driver was.

Thank you for the
Album it sure is nice.
I wrote you that none
of my picture were no
good that we made
one that? trip didn't I,
just made me sick.
well its time for El
+ Everett. I dont know
any news so will go
take care of you self +
Write soon. Love L + E.
