

Sunday Night Oct 12: 1941

Dear mama and all how
are you all by now fine
I hope we are all well. Jim
came up here Saturday eve
and left this evening, sure
was glad to see him he did
not get to come down there
as he had to be back Sunday
evening, although he wanted to.
He has gained some weight
looks good. He said he would
get to come home the first
of Nov. I think I will come
with him. I sure am glad you
got the peanuts and care tended
to. You take good of the mare and
colt I guess she has plenty of
grass to eat. If Willie has to haul
the peanuts get them all mules of
W.W. I will send some money,
next week. Tell Dan and Em I said
hello. Take good care of all our own.
