Dear Home folks:

Just a line as I am sending Ellis a birthday folder. I have already mailed your letter this morning and I forgot to ask you about me sending you Howard's picture that Dorothy sent me Xmas. If I were to have too move from up here I could not take care of it, and I think I will send it too you all. I got a pretty valentine from Oneita Ramsey today, also a letter from Oneita (Prince) Franks. It was the first time I had heard from her since Xmas. Ans as soon as you get my letter.

Len.

With Our Best Wishes
on YOUR BIRTHDAY

Just that extra touch
of gladness
Plus an added bit
of cheer,
Is the Birthday wish
we send you
To last throughout
the year!
Lenard.
