Dear mama + all :

will try + write you a few lines this morning. How are you all? we are up. I dont feel good my head still swims + feels dizzy. I still take 2 shots a week. I've changed Doctors I'm using Dr Lindsay the one we had when I had the measles a long time ago. he said that my ovaries were weak + he was giving me ovarian shots, but he's changed them now. said it would just take time

2

to get over it, that he had
lots + lots of cases like mine
he said most women
had trouble between the
ages of 30 + 40. he said
it wasn't change of life
tho, I would give any
thing if my head would
get alright he said it
would but I've been
like this nearly since
Xmas.

well I cooked the
last of my sausage this
morning sure was good
we sure do thank
you + the butter to
I didn't know Emma
was going to write you

3

for it tho. she shouldn't.
+ I don't know why she
wrote you for cards
we were by the post
office last Thursday
+ she didn't say any
thing about getting
any. + she can get
stamps here on the
corner any time she
wants them.

Everette got his card
I gave him a box of
cigars that's all he got.
I didn't get to get
len. any thing as
I work from 9 to 5 now
since they got new time
but I'm off to morrow

3

+ I'm going to send him something. Oh yes Lin sent Everett a pretty card but yours + his was all he got.

This new time sure did mess us up. Everett still goes to work at 6.30 + I have to get up at 5.30 which would make it 4 30 the old time.

Guess I'll go to town and take Emma + let her get Wm. Howard some shoes + a Cap. tomorrow. I'm so nervous I can't stand crowds I haven't been down town since

f
