Dear Home folks:

Just a few lines in answer
to your card I got today.
Glad to learn that you were
O.K. except Colds. I'm about
the same as usual. It sure
has turn Cold here today and
the wind is blowing very hard.
I got a letter from Emma Dean to
day, they were O.K. Lillie is just
taking one shot a week now.
Dennerd have you rode the
Colt anymore. Pellis what are
you working with your mare
to the disk. Dennerd I am
still expecting that letter
you owe me. How is Dorothy &
family? Tell them to write me.
You all take care of yourselves, and
soon. Love, Lenard.
