Dear Mama and all
Just a line to
let you know we
are O.K. and hope you
are the same. Got
a letter from Len today
He is alright. But
haven't heard from
Bartholomew in almost
two weeks. I went
downtown by myself this
evening for the first time.
Didn't get lost. See? And
got me a dress. Been
saving. Lillie got me a
pair of hose the other day.
Our Colds are lots better
and hope you all don't
get too swamped with
that work. S.O.P.
