Dear Mama &amp; Demard.

Got your Card and  
 also got here last  
 Friday night as I told  
 you on the Card that  
 I wrote if you got that.  
 If you were intending  
 to come home this week  
 end, I guess I will still  
 be here. I am going back  
 next Wednesday. But was  
 going Friday if you had  
 been here.

We canned since  
 peas yesterday and  
 guess there will be  
 a few more this

last of the week.  
Ellis had to bring some  
tomatoes to a woman  
down here today so  
we ate dinner with  
Dorothy.

Have just been  
to see Sammy Joe and  
he came home with us.

Guess you will  
get your senator back.  
The O'Daniel news  
came today and Ellis  
has been reading from  
it to Tohy. Telling him  
about losing his vote.

Answer soon and come  
or I will go back as I  
can work. And need all I  
can make of course. Love, Emma  
Dean.

I went up to your house  
yesterday. Emma Dean and  
Ellis had picked some peas

six if we had not cooked some

Ellis and Emma Dean come  
down here to day.

I will go back up there this
