Dallas Tex.

Aug. 1.

Dear mama & all:

received your card yesterday
glad you ^{all} got home & ok.
did you go to Lotties?

I didn't have any more
trouble getting home,
but it was waiting for
me here at the house
they picked our car up
kept it 3 days, but took
all 4 of our tires, Everett
and some fellow changed
tires & Everett said some
difference as they were
better than the ones on
our car that was
just before Xmas

2

Then the other day they
 picked this fellow up
 & he told that he had
 let sharty have some
 tires, & several more
 people. I think they got
 back 2 or more. ~~that~~
 that's the way I understand
 it. Everett borrowed 2 &
 picked up 2 pieces to get
 the car home. he's been
 trying to get some more
 but you can't get them
 for love or money.
 & on top of that they
 checked \$17⁰⁰ short last
 week, & \$37⁰⁰ short this
 week, he has gone
 to see about that now. Says

if they dont find it he
