Dear Mama,

Guess you have gotten the pictures and our letters by now. I did not say exactly on what day we would mail them but hope you got them ok. Anyway. I am back at Lillies and hope you haven't written to me over there as I only stayed a day and night. The woman's kid and I could not get along much but he was only six years old.

Was surprised to hear that Leonard had gone home. He called Ellis and told him at the station. Hope he will have time to stop by here tomorrow. I know he was glad to see them. He told M. H. to see Primor didn't M. H. know him.

Well, we got the rain too. It has been raining off and on for about a week. Came a good shower this morning. But it makes things cooler for a while and up in the day gets hotter.

Guess you were tickled about the senatorial race. They really tried their best to root O'Danill out but it didn't work. You may have already seen these pictures of him. Every big newspaper in the state was against him.

Answer as soon as you get this or the pictures. Lillie registered them like you said. Ellis said to tell you he would write next time as he just didn't have time this morning.

Dear Benward,

Hope you got my letter and that you will get me some sweet gum and send it. It really would be good. Mama talked like you all hadn't got any of my letters. Answer and tell me if you got the one where I sent that hair roller that Christine wanted. You know what I mean.

Well, it is exactly 4 months until Christmas. Up here they are telling you to buy gifts now or you might not get them at all.

I saw "Gone With the Wind" yesterday afternoon and it was one good show too. At least I thought so. Lillie didn't think there was anything extra about it when she saw it.

Guess you are sorry that school will be starting right away aren't you? Have you registered yet?

I'm not working at the present. So guess they have a spite on me. I have a spite on them too.

Ellis is still working from 10 in the morning until 10 at night.

He is O.K. And my cold is better. Boy that woman had a little 6 year old boy that I started to work for and he was one more little devil. I had to get rough with him and he did not like it. From now on I am going to think you are an angel whether you are or not. Ha ha. Answer and send me the gum.
 this is 3 times I have asked for it. Love, E.B.
