

Dear Mrs. Ramsey -

My husband and I enjoyed having your son, Lenard, with us last Sunday for the day. We invited him home with us from church and he and two other boys spent the day with us and went to church with us again that evening.

Lenard seems to be enjoying his army life and Amarillo so far. We hope he will

Call us any time he's
in town and would
like to come out.

The enclosed picture
was made of him here
for you.

Sincerely,

Mrs. H. Sim Kelly
