Dear Home folks:

As I am not waiting for you to ans my letter, I will try to put in a few lines, but I think you all are too slow about writing me. I don't see why you all don't write me more often as I am slow about getting your letters anyway. I know you all have time at least to write a little at night or on Sunday. I been expecting some more peanuts, but havent got them yet.

Got a letter from Emma Dean a few days ago, hope she got to come home as she said she wanted to come

if she could get enough time off the past week end. I sure would like to come, but I don't know wheather I will get off before X-mas or not but will come if I can.

I got a letter from Lillie a few days ago, she was still working. Has she wrote you lately? she don't write me very often. I also got a letter from Aunt Orange yesterday, they were OK, she said Bud was at home a few days ago.

We are still having dry weather up here, it has been almost four(4) weeks sence it rained. Last night was the Coldest it has been sence I been up here, we had a light freeze. Have you all had any ice yet? you have not wrote me about your New

heffer Calf, guess you are really proud of her. Does she give much milk? Donthey said she Carried Cross home a few days ago, he sure has had a tuff time, hope he will soon be OK now.

what are you all doing now? have you planted any Oats or winter Crops and did your Turnip-greens doo any good down there Close to the "spring"? wish I had some of them. Say Ellis have you plowed any sence the rain? Guess you will start working "billie" a little bit pretty soon.

well I finially got my teeth fixed again last Saturday, so I have one false tooth now, but you Can't hardley tell it. The bridge and one inlay Cost me (\$15.00) fifteen

dollars so you see it is pretty digging
isnt it.

Hope This will find you all
well, my Cold is much better. I
have took a lot of Asprines and some
Cold tablets, but they didnt seem
to do me much good.

Have you all sold any of the
peanuts yet? You didnt say how
much syrup you made or maybe you
hadnt cut the Cane when you
wrote me the other letter. Say Denard
how are you getting along in school
and do you need any school supplies?
did you get to go to the Hollowene ~~Board~~
party at the school house? I read about
it in the paper. You all hurry and write
me. I dont have any news, trusting I
will hear from you, ans real soon,
Love, Lenard
