

Wednesday-

Mamma I'm sending
you the \$5⁰⁰ This is
all the Paper I have
Everett came by + taken
me to the Post office.
you should be careful
what you write Mrs
Anderson about Sharley
after all that is
her child, + no one
likes for any one
else to talk about their
Children regardless -
You all just let us
Love

work out our
Problem & dont
worry about it,
I was going to send
you a dress mothers
day, but if you want
to you can just let

The Permañ be your
mothers day Present.
hope your cold
is better, and soon

Love Lillie
