Dear mama & Ellis,
How are you all. I am some better. You know I have been feeling bad and had to go to the Dr and get a prescription. I had a severe headache for nearly a week but I got some Capsules for it and now I am pretty good. I slept about six hrs today and I guess I will get pretty sleepy tonight.

I would have written you before now but I was sort of waiting to see if I couldn't pay you that five dollars but I will send you that just as soon as I get it.

I guess Lillie is working as I tried to call her and she was not at home. She has an apartment by herself now you know.

Well I guess it is about time I finished this as

it is already 2 days old
and I have just found
the time to finish it
Went to see Lillie the
other day and she is
lonesome in her apartment
by herself as Everett has
gone to California.

Leola and Archie finally
got moved and I like
my little place all right
We certainly don't ever
have time to get lonesome
as there are
so many other girls
always around. We
are always coming into
each others rooms and
talking or something.
One girl here is from

Minicola and is really
nice I think but
I don't know much
about her.

I know you are
wondering why I have
not written but I,
have not had that
\$5.00. to send and I was
waiting to send it to
you. I think I told
you I did not get
any thing out of that
Lay Co in Tyler.

I will write more
next time because right
now it is time to go to
work. Hope you all
are ok. I am fine now
Ans. soon Lots of love
Emma
