Dear Mama, Ellis and dear Bernard.

I am putting both letters in one because it is late and I have to go to bed pretty soon.

Well Bernard I will try and see if I can find you a dart set tomorrow afternoon and if so will send the package Monday if I possibly can. I have purchased all the other gifts and I think I am doing pretty darn good if I do say so.

Saw a good show tonight and the name of it was Sweet Rosie O'Grady with Grable. Bernard you will want to see it I think.

Have I written to you all since I came back? I thought I had but if not I apologise. And Mamma I will send your birthday present in the future. So don't be impatient. You will get it.

I am working regular hours now but I can't tell much difference than when I worked all kinds. I can eat regular and that's about all.

I had my skin treatment and have had something wrong with my stomach too. I almost had an

attack of asthma. I also almost
reported out from work but I
didn't.

Well I must close will
write more when I have time.

Love,

Emma Dean

P.S.
Hope you like your
birthday present.
