Dear Home folks:

Just a few lines to let you hear from me altho I mailed you a letter Saturday, guess you got it today. Hope this finds you all well, I am about the same. Hope you all are well of the flu by now.

We have had pretty nice weather the past several days, but it is still pretty cold and there are still plenty of snow and ice on the ground.

I tried to get the radio tubes last Saturday night, but couldn't get the ones you wanted, but a man promised me he would have some the 26th of this month, so

he took my name and said he would save them for me and I will get them as soon as he gets them, hope he don't disappoint me.

Did you write Lillie and Emma and tell them to see if they could get them for you?

I got a letter from Lillie a few days ago, she said they were having some bad cold weather at Dallas. I saw in the paper where it has been pretty bad in Central and east Texas. Here is a pice I got out of the Amarillo paper. It must to have been real bad at Lufkin, hope it was not bad there at home. Inoma is my subscription to the Times out? I havent got lost Fridays paper, if it is out, you pay it up for two months and I will pay for it. Take Care of yourselves, and soon.

(Over) Love, Lenord

P. S. Mamma, I want you to see if
you can get a set of "Rogers"
silver-ware at Timpson, if
you can't find any, tell Dorothy
to see if she can find any at
Center. you can't get any up
here at all. a friend wanted me to
see if I could find a set for
them, you let me know as soon
as you get this letter.
