Dear Homefolks: Feb 4, 1944

Just a few lines to see if I can hear from you all as I haven't heard from you so far this week, but I hope I get a letter from you tomorrow after I have already mailed this. I have looked for a letter from you the past few days but failed to get it. I know you all don't have much time to write but you could have wrote a Card anyway. Hope this will find you all well, I am about the same as usual.

I got a letter from E.D today also one from Dorothy, E.D said

she was OK. I also got a letter from Alford this week after so long a time. I got a nice package from Dorothy and family today. it was some Candy and Cookies also some rosema face Cream that I wrote and ask her to get for me, the Candy and Cookies sure are good.

I got a letter from Lillie last week, said Everette hadnt been called to the army yet.

Hope you all are still having nice weather, maybe you can garden some this month, hope so.
