Dear Mam, Denny & Ellis,

Well I thought that while I had time I would write even if you do owe me a letter. That is I think you do. Anyway I hope the weather is better now so that you won't have to work in the mud. So you can't have any English peas. It looks like I can't get off down there to help eat them if you did. This income tax is a real problem. I have to fork over \$3.60 mind you by the 15th or else. So there goes my hands. Just giving it back to the government.

By the way Denny & I have something for you that I know you will like and maybe I have something for Ellis too. A delayed birthday present. They said they would have some 22 shells in April so I will look out for some. Had a chance to work today and I said no I had other things to do. They asked me to work a half day and I still said no. Ha ha. You know I don't even like to work. Answer real soon. Love, Emma Denny
