

Dear mama and all
Got here earlier
than I thought I
would and found
it raining. It
was sprinkling
right before
we got to Dallas
and now it is
really raining
I got here in
time to wash some
and now it is
about time to
eat. I really
am tired of this
weather though.
Came back by home on that
little bus but I wanted
to see Dorothy and then
anyway so it did not
make any difference in my trip
