Dear Sis

Will answer your
letters Dated 3/11 and the
other just before that
where by you kindly
Balled me out because
I had not sent you your
check. you was a little
hasty. as I did not have
your check. as the letter
and papers you now have
was sent to me by the
attorney asking me to
furnish all her's
addresses. This I done on
return mail. Glad you
got your check. it might
be that I can get a little
more later for us from

Another Source will
 if I possibly can.
 You mention the
 small amount of money
 I merely asked that I should
 have a little reimbursement
 all has paid me \$500
 But you and arrange
 I haven't written her yet
 am doing so today, C.S.
 And E. paid me \$500
 each. you see I was
 out about one \$4000
 in cash on four trips
 to court at Caldwell
 plus my time which
 I am not asking anything
 for. I think \$500 each I
 for you for is very

8

Reasonable. as this leaves
my cost more than
\$2000 or 3 times the
cost to the rest of you.
No Preston does not get
anything from the
Estate. he got 3 years Rent
free Plus Hogs Cows and
other live stock. he has
another Suite against him
or Judgement. Sophie is
uncle Georges widow
she get 1/4 of 1/5 of the
Estate a child's Part. she
has 3 living children by
uncle George. She first
sued Preston. then I
sued as intervenors
for all of us. all the

4

after he's did the same.
Don't forget to return the
Papers to me, as I want
to keep them as I may
need them later in
other case, which I have
in mind to get each of
us about \$500.

I am very tired and
Sleepy. have an awful
cold, sore throat. working
7 nights week from 12 mite
to 2 a.m. Saw Jack was
by yesterday all OK. Enin
younger Boy was by also
he work n.e.a. nights 6
week he is going home
The a.m. coming back
Monday. It is cool and

5

Cloudy here. Yesterday
was a fine day. We
have had to much
Rain -

Now Lis regarding
the \$5⁰⁰ this is no fee
at all only 25% of the
money I spent out of
my pocket. I could not
make any of pay it, it
just a matter of how
you feel about it. I think
this very reasonable.
if some one had handed
the matter for me for
a small \$5⁰⁰ I would
have been \$20⁰⁰ better off
after each has paid me
\$5⁰⁰ not counting my

time wear and tare
on my car-

must quit now
get some sleep and
rest for 12 to nite. hope
all is well going ok
be good take care your
self. write me soon
with love best wishes
as before yours
