Hello Dear sishere I am at last
to drop you a few lines we are OK
I guess hope you the same we
are try to have some rain: our
far to or three day I look for a
cool spell well I been trying
to make me a dress I have had
the materan for most to years
I have to make to make just house
dresses I dont have any new Sunday
dresses and dont guess I will
as I had to get me some more
teeth and they cost one fifty dollar
and we have had the horse
Riped for Gas one of my crows old
mules died and he sold the other
one so we have no team now

I sure would like to see your
 new house and would come if I had
 some one to tent my cow and
 chickens and see after Mr Crow.
 Lattie could if she would but
 she says she has so much to do
 so you see how it is I tent her
 thing for them to go fishing but
 when I want mine see to why they
 don't have time my old hens didn't
 hatch worth a cent I have five little
 chickens out to sitings I have ^{few}
 some greens they are pretty just a
 I planted around here side house
 in the flower bed did you better
 beans die my like to have but
 they have come out and are bearing
 some again now well I wish you
 could come for as so it could be

to Geather we havent been to
Geather on tm as in a long time
I would come but you see how
is with me not the money like it
with no one to see to the things
and I couldnt think of leaving
mr crow because he dont no any
thing about Gas Sours well I
will have to go to bed the little
old bugs ar about to run me
nuts try come through the screens
will hit me here from you
real soon I dont no any news I had
letter from Jack wife today she said
see would see me sat week so
I guess she and the baby ar
comeing glad to have them come
the baby is like a doll she sure is
sweet she crzy about Jo Ann
Estell said she talks about her all the time
