Foreword

When you are old and gray and full of
sleep,
And nodding by the fire, take down this
book,
And slowly read and dream . . .

RESUME OF 1947-1948

September 8, 1947 at 8:30 doors swung open to six hundred and seventy-six bright eyed youngsters—year began with nineteen old and two new teachers—Mrs. Pirtle, reading and English—Mr. Lively, Band—two classes of band in Jr. High for the first time—gobs and gobs of sixth graders—many new upper classmen—election of homeroom officers—clubs organized—officers elected—annual staff chosen—many changes made in courses—dividing of classes—some high schoolers coming over—must hate to leave the place—Mrs. Hudgins, our capable new secretary—a few misunderstandings here and there—being sent to office to get a few things straightened out—girls collecting absentee slips—some boys occasionally—teachers signing admission slips—announcements and more announcements—shows in the auditorium—better assembly conduct—some good assembly programs—football games and good ones—nine out of ten won—good going boys—some even lettered in football—Coach Cook leaves to go to High School (to teach)—Coach Browning takes over—six cheer leaders—three boys added this year—better yelling than ever—Student Council elections—some interesting campaigning—group pictures taken—hay rides and skating parties—homeroom parties—standing in cafeteria lines—and no "cuts"—hoofing it to town—safety patrol on the job—assembly speakers—magazine sales for library books—Hart's homeroom victorious in sales—Bobby Lee Zeagler high salesman—Junior Red Cross contributions—P. T. A. meetings—few parents out—glad to get out of school at 3:30—faculty breakfasts, suppers, banquets, and other get-togethers—school party on December 5, 1947—football parties—tests, tests, and more tests—tests to grade—report cards—some students coming up lacking—favorites elected and pictures taken—sleet and snow—a wonderful time reported by many—basket ball winners—Mr. and Miss Junior High elected—sponsored by Press Club—many good issues of The High Lite—many things of interest left out on account of space—

Future predictions—cokes in fountains, escalators instead of stairways—bigger and better Character Day—all 8th and 9th graders going to Senior High—all 6th and 7th graders passing—individual lockers—new armchairs—better students—longer vacations—better annuals—and this could go on forever—

Dedication

With sincere admiration for one who is a faithful leader, for his earnestness and loyalty as a principal and friend, and for one whose friendliness has won our respect and loyalty, we dedicate this, the 1947-1948 Junior Fang, to our respected principal,

Principal's

Message

The faculty and students of Lufkin Junior High School are challenged by the job ahead. Our school is growing in numbers, and the patrons through their elected representatives, the Lufkin School Board, are making plans to give us better and larger facilities so that our increasing enrollment may be better taken care of.

With these plans for a bigger and better school plant comes the challenge to us as teachers and students to give Lufkin a school of better quality than she has ever had. Each teacher and student must get a vision of his or her responsibility in building a better school if Lufkin Junior High School is to mean what it should in developing high ideals, worthy attitudes, useful skills, and qualities of leadership and cooperation in her students.

So let each of us dedicate ourself to the task of giving our best to our school so that the quality of its service may grow in proportion to the demands of our progressive and growing community.

CUBS WIN NINTH STRAIGHT

The Cubs went to Livingston and returned home with a score of 21 to 0, their ninth straight win. They have one remaining contest with Henderson this week.

In the first quarter the Cubs took the ball on their own five yard line, with Wright and Davenport and marched down to the six yard line where McCall plunged over for a score. Holt passed to Rogers for the extra point.

Late in the second quarter the Cubs scored again when McCall gathered in a punt on his own 20 and scooted 80 yards for the touchdown. Holt passed to McCall for the extra point.

After a scoreless third quarter the Cubs put on the pressure when McCall swept the end 30 yards to the Livingston three yard line. Davenport took over to plunge for the score. Holt passed to Rogers for the extra point.

Livingston threatened late in the game after Coaches E. H. Bush and J. E. Cook sent in the reserves.

Every boy who made the trip saw action in the game.

The Cubs play in Henderson Thursday night, and we will be there to watch the tenth straight win.

CUBS HONORED BY KIWANIS CLUB

The Kiwanis Club entertained the football boys, cheerleaders, and the football sweetheart with a banquet at the Hotel Angelina Ballroom on December 18, 1947. The tables were beautifully decorated with small goal posts covered with blue and white crepe paper.

Coaches Prejean, Kline, Curry, Cook, Bush and Browning made brief talks. Other persons on the program were Bob McCall, Glen Holliday, Jimmy Garner, Mary Louise Riley, the football sweetheart, and Betty Mills, one of the cheerleaders. The Kiwanis Club showed a movie of a football game between Texas University and North Carolina.

Coach Bush named thirty let-termen. They are as follows:

Ken Evans, David Holt, Glen Holliday, Charles Wright, Joe Peppard, Bob McCall, Glen Davenport, David Rogers, R. V. Holleman, Buddy Courtney, Jim Sharpe, Billy Don Manley, Jim Allen, Taylor Clark, Billy Register, Jimmy Garner, James Holland, James Duncan, Delbert Waller, Clinton Rawls, Gene Legg, Wayne Davis, Carey Boles, James Sikes, Bill Brookshire, Mike Askins, Fred Woods, Don John Smith.

Here's Orchids to the members of the Kiwanis Club for their interest in and support of the Junior High Cubs.

BASKETBALL

The Junior High Cubs are to be praised for their fine Basketball playing. They have played eight games this season, and have plunged out as winner on the winning side in five of them. The scores have been as follows:

Redland 18; Cubs 33.

Diboll 20; Cubs 32.

Mt. Enterprise 15; Cubs 12.

Diboll 17; Cubs 31.

Rinky Dinks 7; Cubs 19.

Rinky Dinks 36; Cubs 24.

Hudson 17; Cubs 34.

Rinky Dinks 31; Cubs 25.

We have always had "Power House Cubs" in football and basketball, and with the players, Coach Bush and Coach Browning, we are sure to come out on top the rest of the season.

Our seventh grade boys are showing up quite well, too. They are our Cubs of next year, and we are expecting Leland Kennedy to turn out to be another Bobby McCall.
