Dear Mrs Ramsey
got your letter Friday
ear was more than
glad two here from you
I am glad you
desided to write me
if you did wate a while
I would have ben disapointed
if you had not answered
it how is weather up
there we are having
rain every day for a
week and had a turble.
storm here started Friday
morning and till Saturday

night. at ten O'clock
blowed down trees and
unrooed howes far miles
how ever it did not
hit Joysses house
it blowed down the
light wire did not have
lights from saturday
till sunday evening
had to burn candles
far over lights the
wind was blowing eighty
miles per awer it looked
as if it was going to
take the house every
minut that was the
first storm that I
have ben in my life
