

Sunday night
Dear Mrs Ramsey just a
few lines to let you know
I am still thinking of you
and hope to see you at
the fair Saturday night
I dont get to be with
you as much as I would
like to if we go to the
fair we can be together
several hours that night
I will soon be going to
Baytown to work that is
why I wanted to be with you
as much as possible before
I get so far away I think
more of you than any one
I mean that you are the
only one that I write to

I still love you and still think
of you ever day dont
think hard of me for
not writing you last week
I went to Sunday school
to day and took dinner
with Ida and Ligy

Belton came this morning
I rode with him to church
let me no if you will
be at the fair I want you
to be there if the weather
permits I want to be there
right by your warm
side write me so I will no
if you can be there I will
look for a letter Friday
be good by with love
