Dear mama:

We received your Card, glad you was O.K. and that you got to Lillie's O.K. Hope you are well; we are O.K. as our Colds are about gone.

Got a letter from Dennard today, they were O.K.; said the weather was very ~~rite~~ nice at home. Did it rain while you was at Lillie's, and how long did you stay with her? How is Dean and Warren? O.K. I hope. How is Lillie and family? Hope they are O.K. Don't see why Lillie don't write us.

Oh yes here is some mail you was expecting; I don't see why you want to waste any time; postage and paper writing to him; as you have some children and home to help care for which is lots more important and I sure hope that you are not getting any idea's about leaving your children and home either.

mama I sure was glad that you got  
(over)

to Come up here and stay a week any-  
way; but I wish you could have stayed  
longer.

we went to the laundry last night,  
sure had a big washing; took over an hour  
to do it. The weather is still nice here,  
and it suits me too be nice weather.

You take Care of yourself, wr. to soon,  
Love,

Len, Marie, Shannon.
