Dear Mrs Ramsey how are
you to night fine I hope I feel
fine did not do much to
day Richard and Della came over
and washed to day I helped them
I went down to Earles and got
bean sticks went and took
supper with Marnen and Anna
how was the rain and hail over
there it was pretty bad here
but did not do as much damage
as I thought it would the way
it hit the house took I plan to
go down and ride Ballies pony
to morrow I had plan to ride it
some time a go but havent got ther
yet that is my job to morrow

do you plan to go to Simpson Saturday
if so tell me in your letter and
I will come by after you and
tell me what time to get there
and if nothing happens I will
be there I cant hardly keep from
seeing you ever week I had rather
see you than any one I think of
you day and night you looked
so pretty Sunday I think you look
better ever time I see you I just
wonder if you think as much of me
as I do you if you do I want you
to kiss me as soon as I walk
in your room that will make
me feel better and love you
more dont disapoint me all of
my love is for you and no
other I had better go to bed it is
