

A Christmas **MESSAGE**

*The world again keeps Christmas
As it did that Holy Night,
When His birth was announced
to the Shepherds
By a star shining radiantly bright;
And as you, too, keep Christmas,
May you know His Love is near—
To bless you
and to give you joy
Through a Happy Day and Year!*

*Love,
Emma Dean and
Warren*

*"Lo, the star... went before them, till it came and
stood over where the young child was." MATT. 2.9*
