MOTHER'S
DAY

You know you mean
a lot to me
Each day all year, but then —
On Mother's Day
it seems just right
To tell you so again!

HAPPY MOTHER'S DAY !

Love, E. Sean Warren and
Paul

Dear Mama + Ellis,

How are the tomatoes? Did you all get rain? We got a little.

Did you get your allotment deal through? Hope you get something out of them.

Louis Alford - Better I hope.

How is your back doing? We are better but Warren has a cough he can't get rid of.

I forgot if I sent you a card already or not.

Guess we ^{5M} ^{5M} go to Red Oak this week-end. Love, Edw + B
