Dear Mr. Ramsey:

A day or so ago you paid up your account with us and I want to take this opportunity to tell you how much we at Guardian appreciate the chance we have had to be of service to you.

The fine manner in which you have handled your account entitles you to a special credit rating with us. That means that any time you want money to consolidate your obligations or to buy something you want you only have to phone or come to the office. It will take only a few minutes to make the arrangements.

Most of our customers come to us because they are recommended by other customers. We would certainly be most thankful to you if you would discuss our service with your friends and ask them to see me - I may be able to be of help to them, too.

With kindest personal regards, I am,

Sincerely yours,

F. F. Rollins

Manager

P.S. - Please drop in and see me any time you want - I'm always happy to learn how my friends are making out.
