# Dedication

We humbly and sincerely dedicate this annual to MR. HARVEY -- not as the superintendent of our school, but as our personal friend.

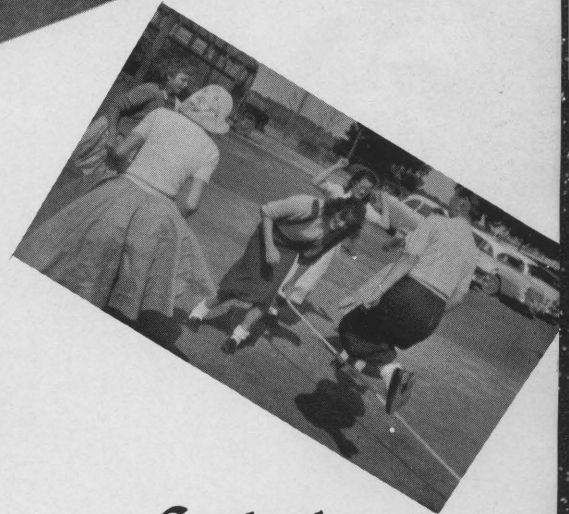

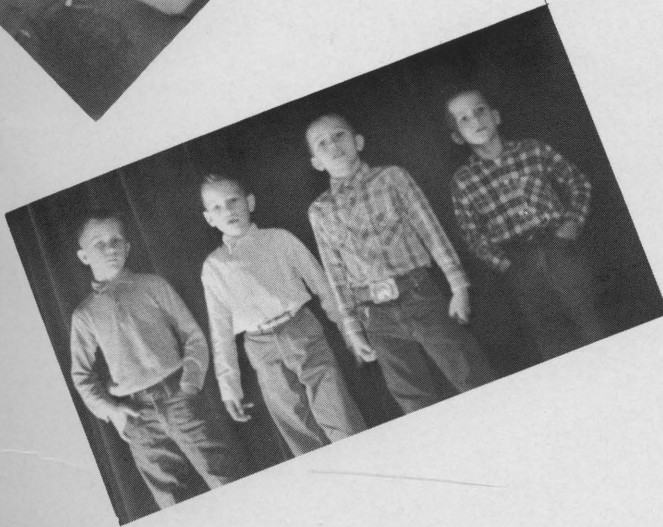

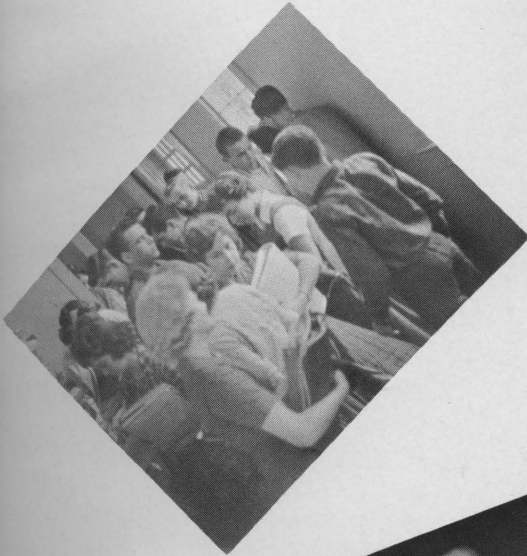

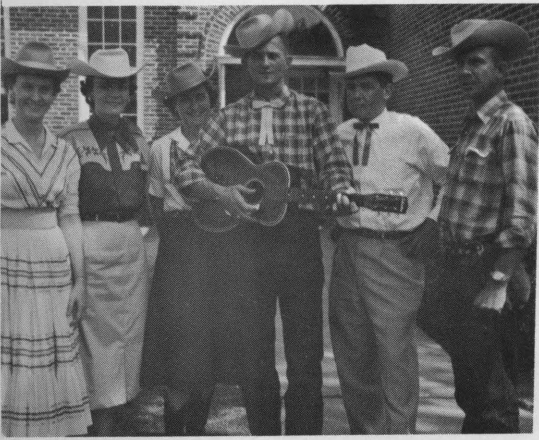

We hope that this infinitesimal gesture will somehow convey our appreciation to him for his time spent, interest shown and willingness to help.

Most of all we want to show how much we appreciate him for his words of encouragement and for his constant and abiding faith in us.

**G. W. YOUNGBLOOD, PRINCIPAL**

Mr. Youngblood is an unusually efficient Junior High School Principal. He is very cooperative with his teachers as long as he thinks what they want to do is right.

With the children he is firm, but at the same time, kind and fair---so he is well liked by them.

Whatever he believes, he stands behind with the staunchness of the Rock of Gibraltar. We are very fortunate to have Mr. Youngblood in our school.
