Dedication

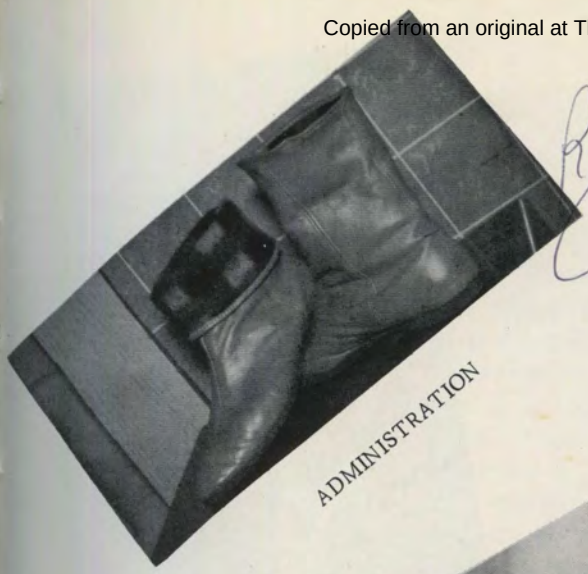

Best Wishes!
Gladney McCarty

Miss McCarty is a teacher who travels the "second mile" not once but many times during the year. She gives many hours of her time making it possible for students to enjoy trips of a varied nature. She is always willing to counsel with her students--giving advice which often proves helpful for many years. We are privileged to share her "artistic" touches in banquets and programs during the year.

For all her interest and devotion to the students of Hudson School, the Hornet Staff proudly dedicates the 1961 yearbook to MISS GLADNEY McCARTY.

Mr. Harvey has been at Hudson for seven years - four years as high school principal and three years as superintendent. During that time he has also taught American History, Civics, Speech, English, Journalism and Mathematics. Under his leadership, the school has grown in numbers, in academic standards and in prestige. We give thanks for his Christian character; praise for his leadership; and tribute to his love for his fellowman.

T. M. HARVEY
SUPERINTENDENT

Mr. Horton has been at Hudson for nine years. After having taught Ag very efficiently for six years, he became High School Principal. He took his B.S. degree from Sam Houston and his M.E.D. from Stephen F. Austin.

He is friendly but firm toward the student body; considerate and fair to his teachers; interested and active in the community.

Three Cheers For Bob Horton.
