WISH OF THE ANNUAL STAFF

Editor:
LINDA CONNER

Just as a mirror reflects our image, so will this annual reflect the faded memories of our school days. When the hands of the clock have revolved over and over again, leaving their mark upon each of us, then will the pages of this annual picture a true reflection of all the joys and sorrows, pleasures and hardships which were in reality, stepping stones on which we have risen to distinction. What wonder then, when years of life have left our memories hazy, that this book shall reflect the past charms of youth and fellow classmates.
