

LUMBERJACK

There were times we thought we wouldn't
But we finally got it done,
It took a lot of effort,
But we had a lot of fun.
HERE IT IS . . . WE HOPE YOU
LIKE IT!!!

Dedication

Because the Diboll High School band contributes so much time and talent to our entertainment, reflects so much credit on our school, and develops an understanding and appreciation of good music in so many students, we, the staff of 1973, gratefully dedicate this edition of the Lumberjack to its director - MISS JUDY ELLISON.

SEATED: Left to Right - President, James Glover; Vice President, C. H. Shepherd Jr.; Secretary, Richard Albrecht. STANDING: Left to Right - David G. Foster, Robert L. Conner, Carl Pavlic, Marshall Capps, Stacy L. Cooke.

This page is proudly dedicated to the seven members of the School Board of Education. We sincerely give our thanks for their active service and their concern pertaining to the welfare and well being of our school.

Dear Lumberjacks,

I sincerely appreciate this opportunity to express my appreciation to each member of the faculty, staff and student body for the cooperative spirit that makes the Diboll Public School System one of the finest in East Texas.

To each of you, I wish happiness and fulfillment. May your life be woven with the threads of friendship, truth, honest labor, and love of your Creator and fellowman.

An unknown author penned this verse, and I wish to share its moral:

"Sitting still and wishing
Made no person great.
The good Lord sends the fishing
But you must dig the bait."

With best wishes and warm regards,

Sincerely,

David G. Foster
Superintendent of Schools

Hey guys - That Hai Karate really works!!!

I can't believe I ate the WHOLE thing!

And for our next yell ...

And then she said ...

Look at him run!

Hey Gregg - Look at that blond!!!

Tide will NEVER get these clothes clean!!!

Doc Eddins - Always there when we need him.

Most people said it couldn't be done, but the 1972 Diboll Lumberjacks put together a fine winning team from a supposedly motley group of players. To some people a 6-4 season might seem average, but for a team that was supposed to lose all its games, it is a satisfying season.

The Jacks opened the season with Timpson. In a game expected to be a defensive battle, the offensive teams exploded and scored a total of 86 points. The final score was 56-33, Diboll the winner.

Diboll lost its next outing to Livingston, but produced a great second half effort that just fell short, 13-12. The Groveton Indians proved to be an easier proposition as the Lumberjacks won 38-6 in a second half rainstorm.

Homecoming brought the San Augustine Wolves to town for the first district game. Diboll dropped that one in grand style, 32-0.

The Lumberjacks seemed to jell at that point as they won three straight games to climb into a tie for 2nd place. The three straight games were Woodville, Corrigan, and Kirbyville.

Diboll traveled to Hemphill hoping for their fourth district win and a share of first place. They left with a 26-7 loss and fast diminishing hopes for a third district title. The Lumberjacks disposed of Buna next, 25-6 and kept their hopes alive. If they could beat Newton, and both Hemphill and San Augustine lose, the Jacks would have a hand in the coin flip.

But it was not to be as the Eagles felled the Lumberjacks, 39-15.

Diboll ended the regular season with a 6-4 record and were 4-3 in district competition.

Several Jacks get together to put the stop on the ball carrier during the Hemphill game.

Roach, Rains, Mitchell, Cowart, and Gartman open a fine hole as King scores against Cor-rigan.

Wyatt has the option to keep or pitch as he goes for a gainer in the romp over Buna.

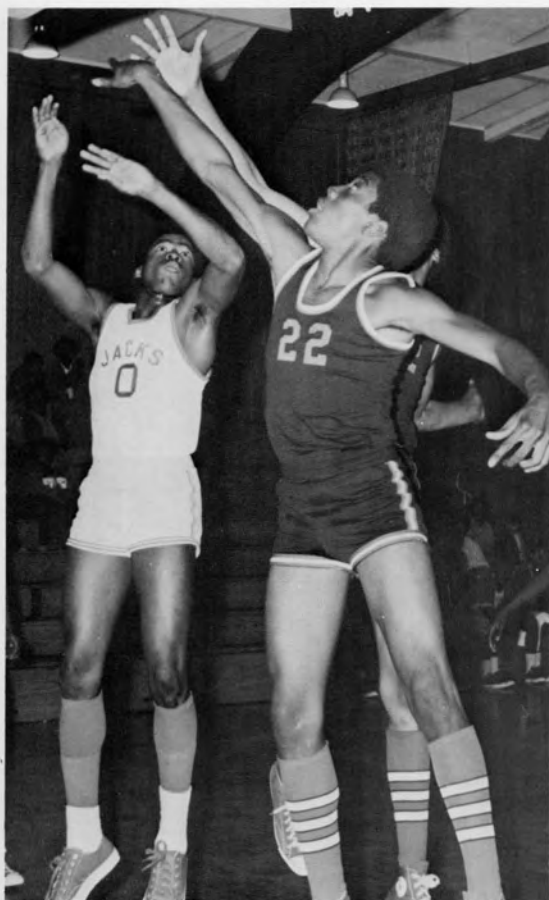

Bill Gartman is about to be hauled down after catching a pass in the final game at New-ton.

What would life be like without telephones?

At first you might think it would be great. But would it? Just think of how many times a day you depend on that piece of plastic and wires-the calls to the doctor, calls to a friend, or relative, calls to order things, make appointments or just to talk. Telephones help business and professional men alike as well as school teachers and students. Everyone uses the telephone. That is why we are working harder at Lufkin Telephone Exchange to make sure your telephone is there when you need it. It's our duty.

Our Company Helps Grow Trees Forever For Man and Wildlife

As a member of the Southern Forest Products Association, we're sponsoring a "Trees Forever" program. The objective is to double timber growth in our region, to satisfy a broad range of environmental and economic needs in the years ahead.

Our program is designed to assure the availability of quality Southern Pine lumber in sufficient quantity and at reasonable cost to meet the growing housing demand.

The program will also improve the suitability of our forests for outdoor recreation, and conserve and protect wildlife.

With SFPA, we hope to accomplish these goals by helping private owners of forestland initiate forest management and reforestation programs. Every private landowner owes it to himself to find out about the economic and environmental benefits of forestry programs.

For more information, write us or SFPA, P. O. Box 52468, New Orleans, La. 70152.
