Bike Green

2001:022

In the 31st edition of THE LUMBERJACK, the staff has attempted to portray by word and picture all the activities students are involved in at Diboll High School.

In order to build this book, much time and effort were required, and the staff herewith expresses sincere appreciation to the following who did so much to make the 1975 LUMBERJACK a reality: all firms who placed advertisements in our book; H. C. Langston, photographer; Mr. Don Watson, representative of Taylor Publishing Co., Bro. Fred Douglas, Yearbook advisor; Mr. Paul Durham, and the Fred Press; Superintendent Don Robbins, Principal Bill Greer; and all others who helped in anyway to produce THE LUMBERJACK of 1975.

Annual Editor,

Kaye Murray

A SINCERE DEDICATION TO A DEDICATED MAN

Dr. Frank Eddins has proven himself to be a friend to the Diboll Schools in many ways. He has served our community well. Being a man of simplicity, he would not really appreciate a gaudy tribute. But this is our way of saying how much we appreciate the interest he has shown and the service he has rendered. We have grown so accustomed to seeing him at every football game, both at home and away, that we would feel a little uneasy if he weren't there. It is assuring to see him go out on the field, as unobtrusively as possible, to check on an injured player. In his quiet, mild manner he does what he is qualified to do, with the least show possible. So, again, "Thanks, Doc!" and don't be embarrassed when we say "We really do love you!"

LEFT TO RIGHT: C. H. Shepherd Jr.; James Glover, Vice President; Sandra Poland, Secretary; Richard Albrecht, President; Carl Pavlio; Stacy L. Cooke; Don Robbins.

This page is dedicated to the members of the Diboll School Board of Education. We the staff and student body express our sincere thanks to these community citizens for their untiring service and for their unwavering efforts for the betterment of our school.

The Annual Staff is proud to dedicate these two pages to an ex-student, Mack Mitchell, who is the first professional football player to come out of our school.

Dear Friends

Another page in the history of the fluctuating "'70's'" is complete. Your actions and accomplishments are indelibly stamped and cannot be changed.

Congratulations to the Seniors for your leadership and achievements! When you walk down "Memory Lane" as the years fly by, you will have many fond recollections of your high school days.

Those of you returning for at least one more year have the opportunity to actively participate in a fast moving school program that promises bigger and better things including our country's bi-centennial.

Teachers and staff are due a pat on the back for a demanding job done well.

Yesterday is gone and every few hours tomorrow is "today". Let's work together to make each today a little bit better.

It was a great school year!

Sincerely,
Donald E. Robbins

One of the most loved and respected teachers at Diboll High, Mr. Hogue Forrest, retired at the end of the 1975 school year, after eight years of teaching vocational Building Trades. His smile and Christian guidance has meant much to many students during this time. He will be greatly missed.

P.S. Don't catch all the catfish,
Brother Hogue!!

I cannot help but feel these eight years have been perhaps the best years of my life.

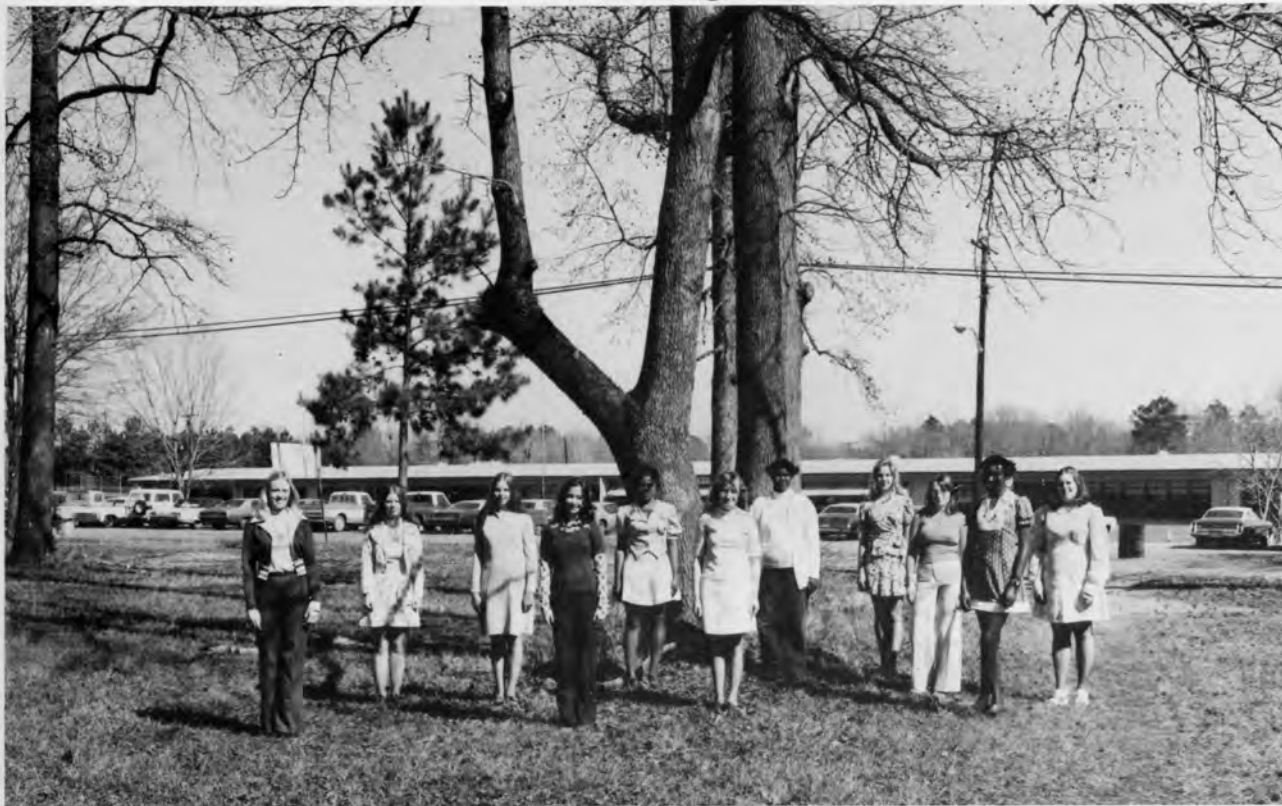

In an earnest endeavor to help others we find the greatest measure of fulfillment in our own lives. I want to believe I helped a few of our youth to desire to live a useful life and to cultivate the right attitude toward others. I hope I have been instrumental in helping to develop strong character in those with whom I have worked.

I say to the students: Respect your teachers. They want to help you. It is with a feeling of sadness I leave so fine a student body, faculty, and Administration. May God's richest blessings rest upon each of you.

Respectively,
Hogue Forrest
