FOR EVERYTHING THERE IS A SEASON

With the passing of the seasons, from registration in August to graduation in May, there was time to encounter many new experiences that will become cherished memories of this year at Diboll High School.

A TIME FOR EVERY MATTER UNDER HEAVEN

There was a time for everything imaginable during the school year: a time for work and a time for play; a time for victory and a time for defeat; a time to be alone and a time to be together; a time for joy and a time for sorrow; a time to speak out and a time to be quiet. Our emotions were constantly changing as we faced a multitude of unpredictable challenges that made up this time in our lives. Some of the experiences we had were enjoyable and fun, while others were filled with disappointment and required much courage and determination.

TOP—It's not the Three Stooges . . . It's three band members—Bryan Holubec, Greg Sudduth, and Jesse Garcia. LEFT—Friends gather at their lockers for a few minutes before class. RIGHT—Students and teachers alike show off their dancing skills at the Student Council Valentine Dance. BOT-TOM—Teresa Stribling sings "Memories" at a pep rally.

TOP LEFT—Diboll gets the tip-off as "Big John" Mitchell out jumps a Lufkin player in the Lufkin Tournament. TOP RIGHT—Sharon Breazeale is being quized over the sci-ence fiction film sponsored by KLUF and the Pepsi Cola Company. BOTTOM—Student life at Diboll High School comes alive on the parking lot at lunch time.

A TIME FOR WORK

During the year, students at Diboll High School took part in many different activities involving work—both physical and mental. Much of our work consisted of studying to pass that course we needed to graduate, concentrating on boring lectures, or participating with our classmates on various school projects. Sometimes work meant keeping our bodies physically fit in order that we could participate in our favorite sport.

TOP LEFT—Ag. students Anthony Toole and Dennis Kilgore help assemble the new junior lockers. TOP RIGHT—Ray Lenderman and Roger Sanders weld a gate in Ag. Co-op. BOTTOM LEFT—The off-season athletes work hard to keep in shape during the spring semester. BOTTOM RIGHT—Melissa Fairchild works diligently to meet the first annual deadline.

A TIME FOR PLAY

Since all work and no play can make a long boring day, students were given an opportunity to unwind and have some fun now and then. Pep rallies, dances, and lunch-time fun helped break the monotony for us and relieved the tension that built up during the course of the school day. Week-ends and holidays were times to relax and forget the rigors of school.

TOP LEFT—Everything seems to be O.K. with senior Rusty McEachern. TOP RIGHT—A group of band members play around before settling down to a serious rehearsal. BOTTOM LEFT—J.V. team member, Scott Ray, puts out extra effort while playing our rival, Hudson, as teammate Andy Gossett anticipates the rebound. BOTTOM RIGHT—Varsity Cheerleaders are all smiles after another victory.

A TIME FOR VICTORY

Some goals that we worked hard to accomplish resulted in success. Going to state in basketball, receiving an outstanding report card, and being recognized for personal accomplishments were all victories that brought satisfaction and helped build up our self-confidence.

TOP RIGHT—Bay Bay Gibson is hoisted by his teammates to cut down the net after the Lumberjacks captured the District 19-3A basketball title. ABOVE—Quarterback Andre Vinson steps off the final yards for a touchdown. RIGHT—Coach Wimberley shows off the second place trophy that the Lumberjacks won in the Lufkin Tournament.

A TIME FOR DEFEAT

Unfortunately, our plans and schemes didn't always work out. From time to time, we had to face the agony of defeat. Even though we were "down", we were not "out". We tried to accept these failures and disappointments realistically and learn from experience.

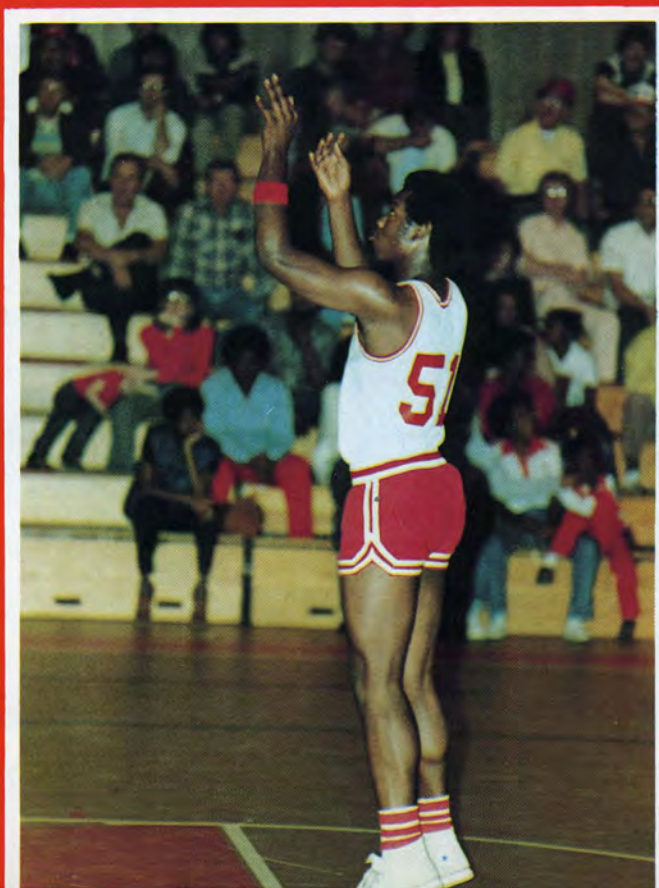

TOP—Coach Baker directs his troops from the sideline. ABOVE—With dampened spirits, these players and managers watch as the Woodville Eagles take the lead in the 1981 Homecoming game. LEFT—These J.V. Basketball players disappointedly await the final buzzer.

A TIME TO BE ALONE

During the day, we often needed to spend some time alone to sort through our thoughts and just get lost for a while in our own private world. Sometimes we found ourselves alone in the midst of a crowd, caught up in our problems and thoughts, oblivious to what was going on around us. At the free-throw line with the whole game at stake, some of us learned through experience how it is possible for a person to feel alone in a gym full of people.

TOP LEFT—Wesley Saxton takes time to reflect on the day's events. TOP RIGHT—Even though Mike Bland is in a crowd, he is alone in his own thoughts. BOTTOM LEFT—Gwendy Hicks works hard to keep the school spirit high. BOTTOM RIGHT—Johnny McCloud sinks another one.

A TIME TO BE TOGETHER

There were times when being together was just as important as being alone. Sometimes togetherness meant just two people sharing a few minutes between class, or it might mean the whole gang clowning around on the parking lot at lunch. Ballgames, trips, pep rallies, and the prom were just a few of the times that we enjoyed being together. Some of our fondest memories of the year focus on times that we shared with our friends.

TOP LEFT — A group of friends enjoy lunch together. TOP RIGHT — Diana Cook and Carol Cooke are firm believers in all play and no work. BOTTOM — Very often the best times take place in big crowds, as the smiles on the faces of Teresa Ellison, Tammy Glover, and Susan Taylor reveal.

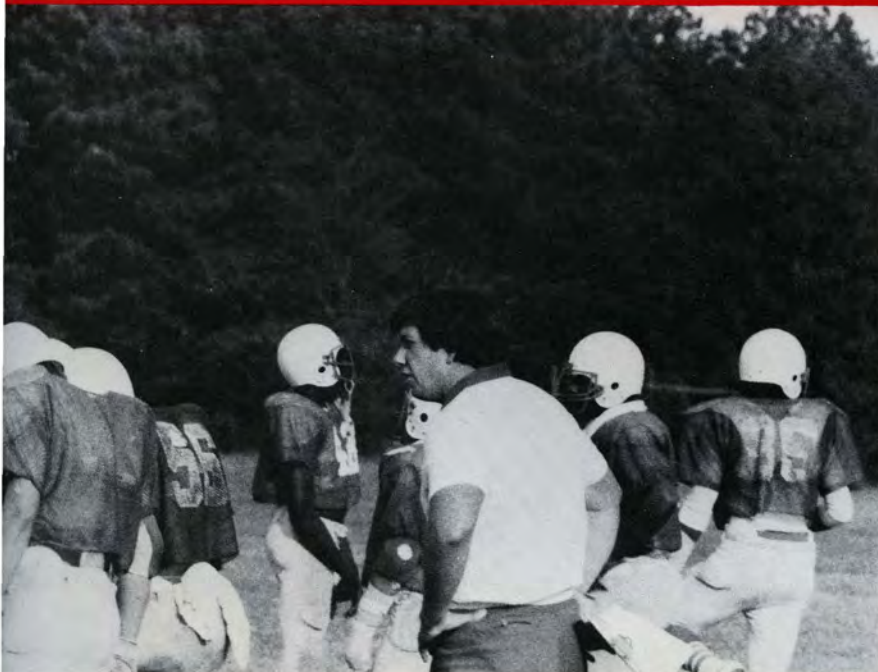

A TIME FOR JOY

Our lives were filled with many contrasting feelings and emotions during the school year. We experienced joy when we won an important ballgame, reached the end of a long school day, got out of school for the holidays, or received that hard-earned diploma. The happy times helped us to face each new day with renewed energy and to experience life to its fullest.

TOP—Edwin Mitchell celebrates the joy of winning at the Valentine Victory Dance. CENTER LEFT—The smile on Kevin Hurley's face after beating Hudson says it all! CENTER RIGHT—Doug Glover enjoys the freedom of being out of the classroom. RIGHT—Melissa Fairchild and Linda Wells demonstrate their bubble-blowing talents.

A TIME FOR SORROW

This year we experienced the sorrow that accompanies losing an important game, failing a major test, and giving up a cherished friend. Through it all, we have grown in maturity and learned to put sorrow in proper perspective. Without sorrow, we would not appreciate the joy that life also can bring.

TOP—Perfecting new plays is a tough job for this athlete, as well as his coach, Billy Clegg. LEFT—Some days nothing seems to go right, as the expressions of Chris McGilvra and Wesley Saxton indicate. ABOVE—It's a blue Monday for this solitary figure sitting all alone on the sidewalk.

A TIME TO SPEAK OUT

There were many different times during the year when it was necessary to speak out for what we believed. Cheering for the Lumberjacks, pledging the flag, and singing our school song were all ways in which we used our voices to express our beliefs and demonstrate our convictions.

TOP — Flag Corps Captain Cathy Scarbrough joins in the fun during Homecoming week. LEFT — “We’re fired-up and ready!” shouts the Pep Squad. RIGHT — Coach Baker gives an inspiring pep talk before an important game.

A TIME TO BE QUIET

On other occasions it was necessary to be quiet. We were quiet as we were lead in prayer at the pep rallies and ballgames and while concentrating on our homework. We were quiet as we tried to be good listeners when friends needed to share their problems.

TOP LEFT—Brenda Ruby quietly works on the layouts for the yearbook ads. TOP RIGHT—J.T. Capps "takes a break today" during the Senior Breakfast at McDonald's. BOTTOM—Keeping up the steady pace of being a cheerleader, Natalie Johnson tapes a run-through.

People Make the Year Special

People in their own individual ways made this year at Diboll High School a special time for us. Although our appearances and personalities were different, each person had a unique roll in our school life. As good times and bad times were shared, friendships became stronger and we enjoyed the closeness of a small school. The administration and faculty gave of their time to see that we had the best possible preparation for the future. Cafeteria workers, janitors, and maintenance people all did their part to keep the campus running smoothly. In later years, as we reflect upon our high school days, we will remember the people who made this year one of the best.

BRAVE IN A NEW WORLD

In August 145 freshmen entered the halls of Diboll High School for the first time, ready to begin an exciting year full of new experiences. After finding all of our classes and learning our way around the campus, we got into the spirit of high school life by participating in many school activities. Our freshmen year was a beginning—a chance to meet new people, start an athletic career, and grow as individuals.

MOVING ON UP

As sophomores we felt a bit wiser and a little more secure than we had as freshmen. By now most of us had passed our driver's test and were trusted at last with the keys to the family car. Our teachers agreed that we were not the same class that we had been a year earlier. We had settled down, found our place, and showed promise of leadership for our school in the years ahead.

ONE STEP CLOSER

As juniors we were able to experience more freedom than we had known before. We soon realized that all this freedom brought new responsibilities, and we worked hard to live up to the trust placed in us. We were eager to order our senior rings and counted the days until they arrived. When it was time to make plans for the prom, we knew what a great feeling it was to have made it this far, with the best year still to come.

IN A CLASS BY OURSELVES

Being seniors paid for all the embarrassment and anxious moments we spent as freshmen, sophomores, and even juniors. We gained the security we lacked and got the respect we worked for in our first three years at Diboll High School. Graduation was the event we looked forward to with joy, as we anticipated our freedom. At the same time, we were sad when we realized that a way of life was ending, and we were leaving friends and memories behind.

I Wouldn't Have Missed It

For The World

Friday evening

May seventh

Nineteen hundred and eighty-two

"I WOULDN'T HAVE MISSED IT FOR THE WORLD"

Our paths may never cross again
maybe my heart will never mend
But I'm glad for all the good times
You brought me so much sunshine
And love was the best its ever been.
They say that all the good things must end
Love comes and goes just like the wind
You've got you dreams to follow
But if I had the chance tomorrow
You know I'd do it all again.
But I wouldn't have missed it for the world
I wouldn't have missed loving you, girl
You made my whole life worthwhile,
with your smile.
I wouldn't trade one memory
'cause they mean too much to me
Even though I lost you girl
I wouldn't have missed it for world.

-Ronnie Milsap

72 Receive Diplomas

Graduation exercises for the senior class of 1982 were held in W.F. Pate Gymnasium on Thursday, May 27. The invocation was given by Wesley Saxton, followed by a scripture reading by Alex Alexander, vice-principal of DHS. Bobby Fenley, president of the senior class, delivered the address to his graduating classmates. Principal Bill Greer presented 72 seniors who were awarded diplomas by school board president Milford Ruby. Special awards and scholarships were presented by superintendent Don Robbins. The benediction, given by Edwin Mitchell, concluded the graduation exercises.

Chuck Grossman

Chuck's many friends shall always remember him for the smile he wore and the strength he gave to them during their times of need.

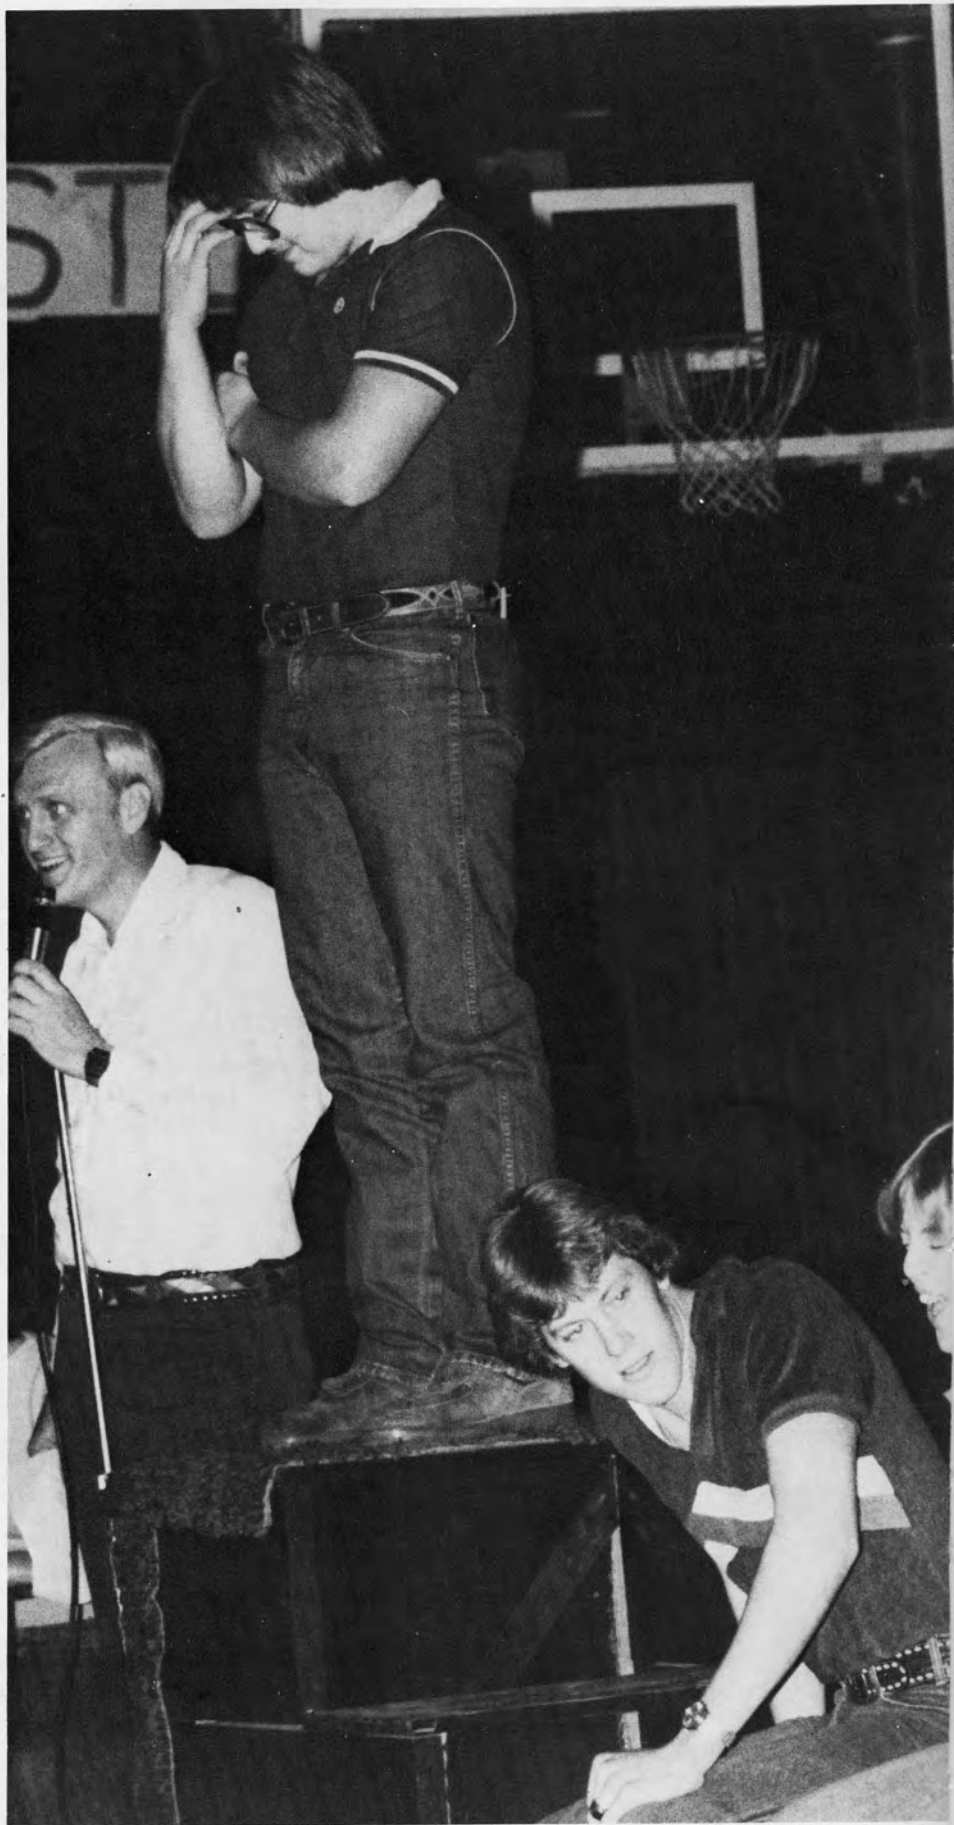

You could always count on Chuck. He loved to share our joy, but he was always there to share our pain too. He cared about those around him.

Although he wasn't there in person, he took his walk and received his diploma with the rest of the Class of 1982.

If you ever feel lonely and need a friend, just look up. Chuck will be there, offering the love he always had an abundance of.

Yes, Chuck will be remembered for many things, but most of all for being to us—a *golden friend*.

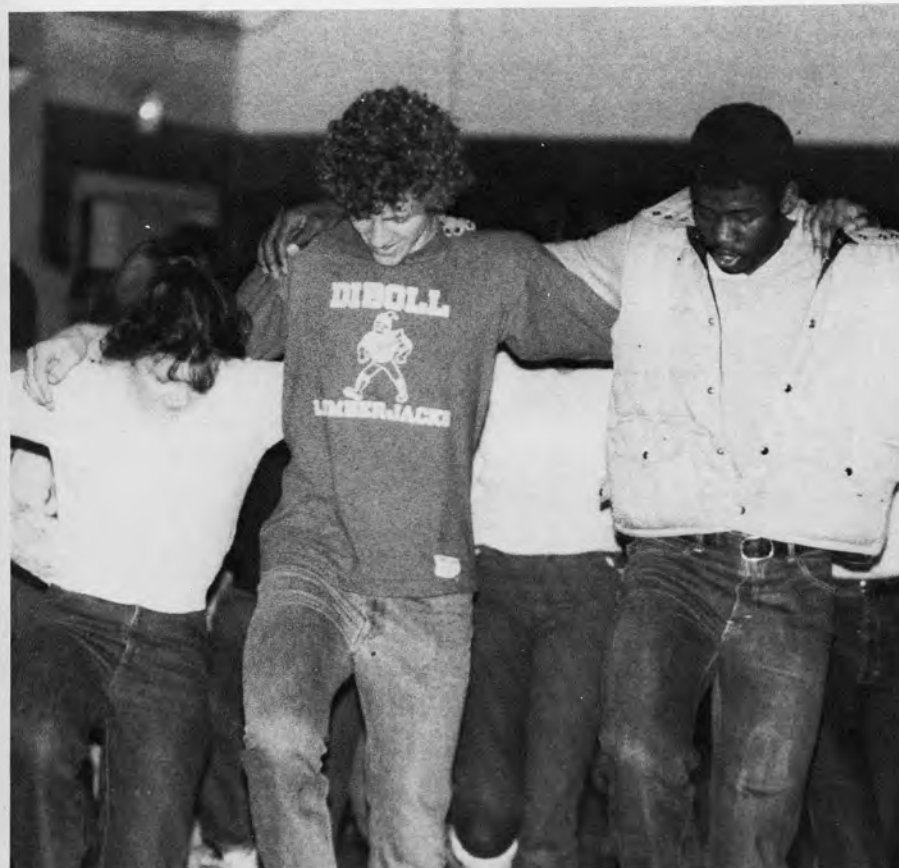

WHEELS AND TIME SPENT

MORE TO SCHOOL THAN WORK

Hours passed as we moved through the halls from classroom to classroom, waiting for school to come to an end. Time was spent listening to lectures, taking dreaded tests, or just looking forward to the week-end. A variety of extra-curricular activities helped break the monotony of routine classwork and provided a chance to expand our interests. Surprisingly, the hours seemed to fly by more swiftly than we realized they would. As the school year becomes history, the time we spent just having fun will have a special place in our memories.

STUDENT COUNCIL LEADS ACTIVE YEAR

The Student Council, organized in 1954 by the senior class, is the student government of the school and strives to promote leadership, human relations, citizenship, and cultural values.

Through its twenty-eight years of service, the Student Council has become one of the most vital organizations on campus. The first Student Council, sponsored by Mrs. Ruth Poland, was composed of one representative from each class, as compared to one representative for each twenty students today. The 1981-82 Student Council had an active year in which the officers, for the first time, attended a workshop in Sequin, Texas. They participated in a full week of classes to learn new ideas to bring back to Diboll High School.

Throughout the year, the group sponsored a variety of activities which included the following: a Valentine Victory Dance, a Kiss-A-Pig Contest for the United Way, career speakers for the seniors, a door decorating contest at Christmas, and fruit for the nursing home at Thanksgiving. To raise funds for the organization, Valentine carnations and stadium cushions were sold.

This year the Student Council represented our school on the District 19AAA Good Sportsmanship Committee and served as secretary of the committee. The committee meets two times during the year and awards a trophy to the school that has shown the best sportsmanship during the year. Diboll High School will serve as the president school for the district in the 1982-83 school year.

PRACTICE MAKES PERFECT

"And now the Diboll Lumberjack Marching Band under the direction of John Ingram . . ." With these familiar words, the band began each halftime performance. Throughout the football season, this spirited organization was always ready to back our school with its best musical endeavors.

Every Monday and Tuesday night, the band was found practicing under the lights at the football field. Many more

hours of work were put in on sectionals, clinics, and marching rehearsals.

The band presented two concerts for the public which included a Christmas concert and a concert in the spring. A few of the projects planned by the band officers to raise money for the annual spring trip were the Homecoming Dance, a bake sale, and the sale of spirit blossoms.

Members of this year's 93-member band are first row: Deidra Bréazeale Flag Corps, Melissa Albrecht, Gina Donovan, Cherie Clark, Tamisha Carnley, Cindy Oaks, Angie Terrell, Vickie Rodgers, Jennie Ferguson Drum Major, and John Ingram Band Director. HYMN AND HARMONY

One of the nicest sounds around Diboll High School was the music of the choir, directed by John Ingram and accompanied by Sharon Breazeale. The choir strived for perfection in their performances throughout the year. Beautiful carols helped bring a little Christmas into our hearts, as the choir sang at the annual Christmas Concert and at the Corrigan Community Center. Again in the spring, they presented an enjoyable program at the Spring Concert. Whenever possible, the choir took advantage of the opportunity to attend musicals in the East Texas area.

STEPPING OUT IN STYLE

The 1981-82 Twirlers faced an insurmountable task last summer when plans to have an instructor teach them their routines didn't materialize. At the last minute, without the help of a qualified instructor, the group decided to make up their own routines for the coming season. Taking timeout from their summer schedule, they rehearsed eight hours a day for two weeks perfecting their routines. When the line was awarded several 1st place medals during the year, they realized that their ingenuity, determination, and hard work had turned a disastrous beginning into a very successful year.

FLAG CORPS ADDS COLOR

The Flag Corps, consisting of ten members, was added to the Diboll Lumberjack Marching Band in 1979 to bring color and movement to performances at football games, pep rallies, and parades. The Flag Corps members worked out their routines during the summer and used them throughout the year. Practice on showmanship, precision, and timing paid off when they were awarded sixteen 1st place medals at a contest in Rusk.

NON-STOP SPIRIT

Many hours of hard, dedicated work made the Diboll High School Cheerleaders one of our school's most valuable assets. Early in the summer, the cheerleaders attended camp at S.F.A. where they were chosen as one of the twelve most spirited squads. The cheerleaders could be found painting run-throughs, making signs, or practicing cheers and pyramids for several hours after school during the week. They were found at sports events at home and away, supporting the Jacks and encouraging the fans to cheer the teams on to victory.

SPIRIT ON THE MOVE

BACKING THE JACKS

The Pep Squad put in many hours of practice after school each week learning cheers, chants, and pompon routines to add color and spirit to sideline activities. Several of the members presented a skit before the San Augustine game to create enthusiasm and to get the student body involved. In December, the group sold spirit mugs to help finance their uniforms.

STUDENTS ACQUIRE A TASTE OF SPANISH CULTURE

This year the Spanish Club at Diboll High School became a member of the Pan American Student Forum which is sponsored by the Good Neighbor Commission of Texas to promote the ideals of Pan Americanism.

During the year, the club saw a film on PSAF, heard Spanish speakers, participated in a Spanish pen pal project, and sponsored a Halloween bake sale. Highlights of the year were a fiesta at Christmas and a trip to the state convention in San Antonio.

The Diboll Chapter of the Future Farmers of America promotes leadership among high school students and prepares them for careers in agriculture.

Through the years, 14 students from this chapter have been named Lone Star Farmers, the highest honor a high school student studying agriculture can receive.

In March, members showed steers, lambs, chickens, rabbits, and hogs at the Angelina County Junior Livestock Show. The chapter also participated in several judging and leadership contests during the year.

LOOKING TOWARD NEW HORIZONS

The Future Homemakers of America is a state and national organization for students in high school who are studying or have studied home economics. The organization works toward better home and family, developing desirable qualities for world citizenship, increasing opportunities for the development of leadership and intelligent participation, and the furthering of interest in the subject of homemaking.

The F.H.A. officers attended an area meeting at Sam Houston State University in March, and two delegates represented the chapter at the state convention in Fort Worth in April. The group attended the Livestock Show in Houston and sold cookbooks to raise money for a trip in the spring. At Christmas, the chapter extended a helping hand to a worthy family.

SERVING SCHOOL AND COMMUNITY

The Anchor Club, a service organization for girls, sponsored many activities during the year that benefited our school and community. Christmas projects included making a donation to the State School and taking gifts to the residents of South Meadows Nursing Home. The club bought tables and benches for the Diboll High School campus. A Mother-Daughter Banquet was held in May to install the officers for the coming year. The Anchor Club is sponsored by the Pilot Club of Diboll.

NHS ACCEPTS SIX NEW MEMBERS

Becoming a member of the National Honor Society is one of the highest honors that a student at Diboll High School can receive. To be eligible for membership, a student must be outstanding in scholarship, character, leadership, and service. Six new members were accepted into the Society this year in an installation ceremony conducted by president Sharon Breazeale. During Public School Week in March, NHS members served as guides for open house.

MEET THE PRESS

Through the years, THE AX has changed from a mimeograph printing process, to an offset type publication by the students, back to a mimeographed paper, and finally to a tabloid-sized newspaper printed by THE FREE PRESS.

Though many times they were under pressure and in a hurry to meet a deadline, the staff managed to pull through and produce an outstanding school newspaper. In the spring, the staff was rewarded for their accomplishments with a trip.

TOP RIGHT—The AX staff members are as follows: (left to right) Monica Temple, Nola Childress, Karen Bass, Kim Neyland, Allison Lazarine, Melenda Vineyard, Diana Cook, Naomi McNeil, Chris McGilvra, Carrie Deichler, Mark McCollum, Greg Sudduth, Wesley Saxton, Tony Mettlen, and Mr. Wilkerson, sponsor. STARTING FROM SCRATCH

Starting the year from scratch, with a new staff and a new advisor, we all had a lot to learn about putting a yearbook together. Editor Carol Cooke and Mrs. Gage got an early start during the summer by attending an Inter-Collegiate Press workshop at S.F.A. It was there that the 1982 Lumberjack had its beginning.

Our goal this year was to produce a great yearbook with a fresh, new format. Reaching our goal was not an easy task. It involved a lot of hard work such as selling ads, presenting a skit and slide show, taking pictures, writing copy, working to meet deadlines, and an endless list of other things that were necessary to get the job done. We had our problems and moments of panic, but it was good to know that we had a part in bringing you the 1982 Lumberjack.

SPORTS PLAY MAJOR ROLL

Athletic competition was a year round activity that played a major roll in our lives. Taking timeout from the daily routine of classwork, sports provided an outlet for our bottled-up energy.

We began our sports calendar early in the school year with football season. From the gridiron we traveled inside to the volleyball and basketball courts. Baseball, track, tennis, and golf fill the remainder of the year with competitive action.

For the athletes, sports required hard work and self-discipline and provided an opportunity to develop both mentally and physically. Sports gave the athletes a chance to represent Diboll High School, and to gain a never ending respect for the game.

For the spectators, sports provided a way for them to feel a part of the action and the excitement, even though they were not actively involved in the game. The fans stood by their teams through thrilling victories and depressing defeats. Regardless of the outcome of the game, they were proud of the athletes that represented them.

ANOTHER SEASON PASSES

Coming off a season-opening loss to the Livingston Lions, the Jacks marched on to win their next three pre-district games against Corrigan, Groveton, and West Sabine. In district play, the Lumberjacks were able to hold the state-ranked Newton Eagles to a 6-0 lead at halftime, but were finally shut out 28-0 by Anthony Byerly and his Newton teammates. A downpour of rain just before the kick-off, set the stage for a Homecoming game that ended in a 7-6 loss to the Woodville Eagles. "The breaks have got to start falling our way sooner or later," commented Coach Baker after his Lumberjacks lost their second straight game by a single point, this time a 14-13 heartbreaker to the Hemphill Hornets. The Jacks snapped their losing streak to win 16-6 over the San Augustine Wolves. Back in the win column again, they had their hands full when they traveled to Center to meet the Roughriders who exploded for two touchdowns in the second half to gallop past the Jacks 20-0. The Lumberjacks finished out the season in style with a 27-6 victory over the Kirbyville Wildcats, giving them a 5-5 season record. Looking back over the season, Coach Baker remarked, "No coach or athlete is really satisfied with a 5-5 record if they have a competitive spirit."

ON THE ROAD TO STATE

State—a word we only whispered at first, but one we shouted with increasing volume and confidence as the Diboll Lumberjacks traveled the long road to state. With new head basketball coach Mark Wimberley at the helm, the Lumberjacks accomplished what no other Diboll High School team had done before, and that was to earn a berth in the state playoffs in Austin.

The No. 3 state ranked Lumberjacks passed the first milestone en route to state when they captured the District 19-3A crown with a 15-1 record. They continued the uphill climb as they marched on to the bi-district game against the No. 2 state ranked Hardin-Jefferson. In one of their finest and most consistent games of the season, the Lumberjacks demolished the Hawks 86-53 to win Diboll's first bi-district basketball title in 12 years. Building momentum, the Jacks advanced to the regional tournament at Brenham where they stayed one step ahead of Rosebud-Lott, defeating the Cougars 64-59. In a dramatic clash with the No. 1 state ranked Columbus Cardinals in the regional finals, the Lumberjacks emerged victorious with a 62-59 win and the first regional basketball title in the history of Diboll High School.

We were on the road once again, and this time the destination was the Superdrum in Austin, Texas. At the U.I.L. State High School Basketball Tournament before a crowd of some 4,500, the long journey to the state championship ended one game too soon for the Lumberjacks. Diboll's fantastic basketball season came to an end when the Lumberjacks were edged out of the finals 64-62 by the eventual state champions, the Dimmitt Bobcats.

The 1982 Lumberjacks, ending the season with a 32-3 record, have established a winning tradition at Diboll High School. This competitive group of athletes has blazed the trail for other teams that will strive to follow in their footsteps on the road to state.

RIGHT—With the score tied 47-47, the Lumberjacks begin the final period of play against the Dimmitt Bobcats in the state playoffs in Austin.

JACKS TAKE DISTRICT HONORS

Diboll pitcher Scott Ray was named Sophomore of the Year in the District 19-3A baseball all-district selections and was one of three pitchers named to the all-district first team. Other players selected to the first team were: Kevin Hurley, first base; and Bobby Fenley, second base. The second team selections were: Jose Cruz, third base; and Clay BuBose, outfield. Receiving honorable mention were Jimmy Mettlen and Gary Dover, outfielders. According to the year-end statistics, Bobby Fenley was Diboll's leading hitter for the season with a .476 average, including two home runs and four doubles. Kevin Hurley hit at a .391 clip, including three homers and two doubles. Jimmy Mettlen slugged for a .375 average, with one homer and two two-baggers. Clay DuBose hit .318 with one homer and one double. Scott Ray led the Lumberjack pitching staff with a fine 1.31 earned run average despite Diboll's 6-12 season. Clay DuBose had a 2.51 ERA for the season. Other home run hitters included Gary Dover with two, and single shots by Jimmy Mettlen and Scott Ray.

A MAGIC MOMENT . . .

Glover Wins

800 Meter

State Title

The hard work, the waiting, and the disappointments were worth that magic moment at Texas Memorial Stadium in Austin when Lumberjack sprinter Doug Glover raced to victory in the 800 meter run. Glover ran off and left the rest of the pack, including his long time rival Brad Peveto of Orangefield who had claimed first place in the event for two straight years. It was a runner from Seminole who broke fast from the blocks and set the pace in the grueling half mile run. Glover did not make his move until the final 100 yards when he caught up with the Seminole runner. He streaked into the lead 25 yards from the tape and was all alone at the finish line. Glover's time of 1:52.05 is the best 3A time in the state and the third best in the state for all class schools.

LADYJACKS CLAIM STATE MEDALS

The Diboll High School Ladyjacks, co-champions of Class 3-A Region III. girls track and field, for the first time in the history of the school brought home two first place medals in the girls state track meet at Austin. The Ladyjacks finished fourth overall in the state meet.

The relay team of Sylvia Mitchell, Sandra Teal, Dee Dee Johnson, and Ursula Younger sped to a 48:30 finish in the 400 meter event for a first place medal. Sandra Mitchell sailed home with another first place medal in the 800 meter run with a time of 2:17.48. Sylvia Mitchell finished third in the 100 meter hurdles with a time of 14.7. It was the best finish on record for the Ladyjacks, who had tied Waller the week before with 50 points in the regional meet.

The Ladyjack's winning record speaks well of the track program at Diboll, despite the fact that there is no track on which to practice.

DISTRICT 19-AAA VOLLEYBALL CHAMPS!

"Together We Can" was the motto of the Ladyjack volleyball team as they marched to the District 19-AAA Championship with a perfect 8-0 record, to carry on a winning tradition that was begun in the 70's.

In tournament play, the Ladyjacks won 1st place in two of the three tournaments that they entered this year.

"I'm very proud of our record this year," commented Coach Drake, "because we play a lot of 4-A and 5-A schools in pre-district competition."

America's most renewable resource is its people

America is a nation of selfstarters...resilient, strong,
and free.

We can meet the challenges of future decades with the same
determination and resourcefulness that characterized our fathers
...and theirs before them.

But we must count the cost of our desires, and be willing to
discipline ourselves to meet premium goals.

Stand tall, America.
