LUMBERJACKS TAKE AREA TITLE

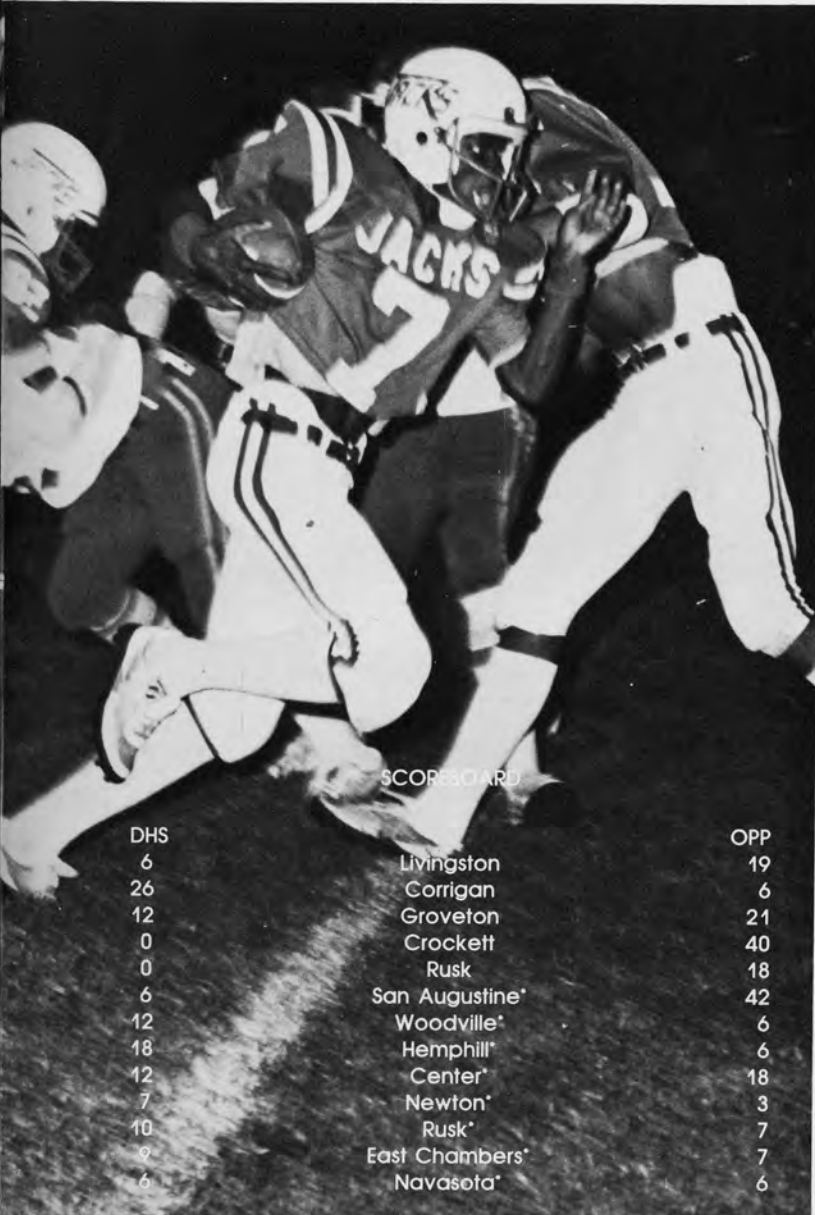

After a slow start, the 1982 Lumberjacks put on a fierce comeback to take second place in the district, win the bi-district and area playoff games, and go on to tie Navasota 6-6 in region.

Coach Baker commented that he was pleased to get this far in the playoffs and to tie 6-6 wasn't a bad way to end the season. The Navasota Rattlers advanced to the quarterfinals by virtue of a 3-1 lead in penetrations.

Baker's Lumberjacks turned a 1-5 record at mid-season into a 6-6-1 finish, including two wins and a tie in playoff games—a remarkable comeback.

1983 BI-DISTRICT CHAMPIONS

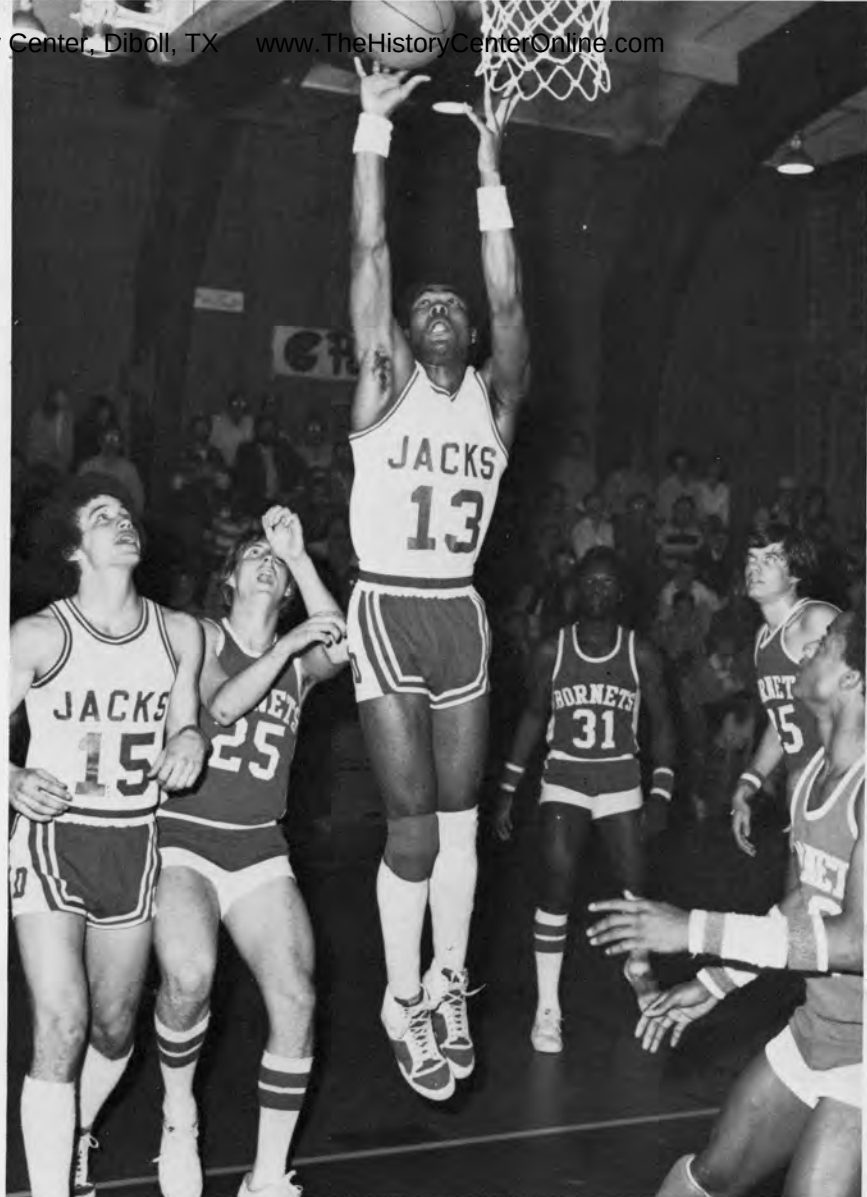

The 1983 Diboll Lumberjacks, most of whom were seniors who had played basketball together since the 7th grade, ended their last season at Diboll High School as bi-district champions.

As the second place team in District 18-3A, the Lumberjacks advanced into the playoffs against the Crockett Bulldogs, defeating them 67-61 for the bi-district title. Their hopes for a chance to defend their 1982 regional crown were short-lived when they were defeated 41-40 in overtime by Kountze in the area playoff game at Kingwood.

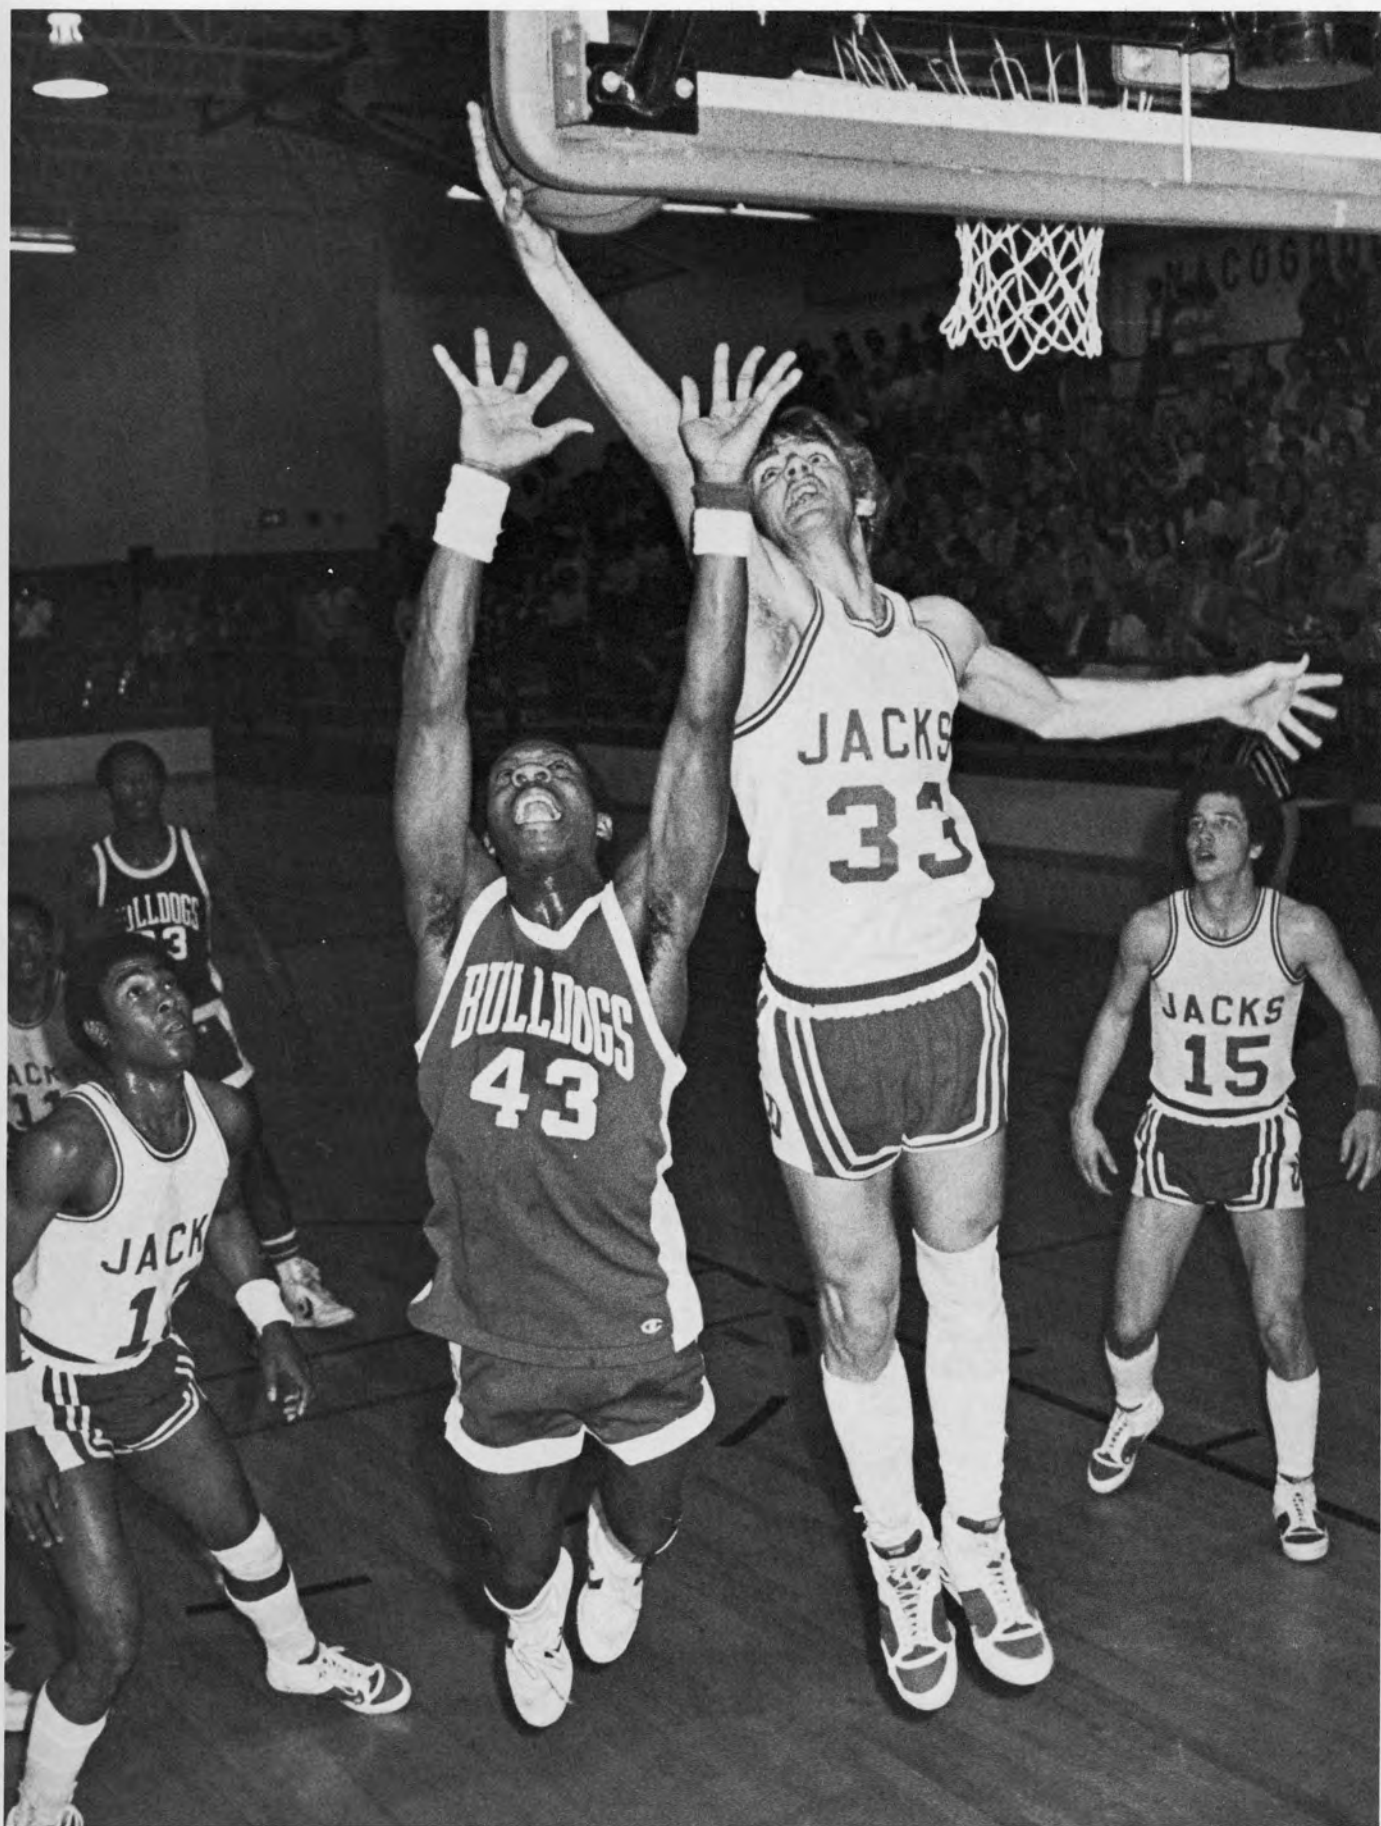

This team has brought credit and distinction to our school. They proudly leave behind an impressive record, highlighted this year by the bi-district title and the thrilling record-breaking 108-107 victory over Houston Wheatly in the Jacksonville tournament.

Members of the Boys Tennis Team are: Front Row—(left to right) Gilberto Perez, Alvino Santana, Erik Lewis, and David DeJesus. Back Row—Dewayne Harris, Galen Drake, Gregg Baker, and David Maxwell.

The 1983 Boys Tennis Team advanced in all tournaments entered with the exception of the SFA tournament where all the teams were from 5-A schools.

Under cold and rainy conditions, David Maxwell advanced in the district tournament with an impressive (6-3) (6-3) win over Woodville's number one singles player, but lost out in the second round to Center's top singles player. Also competing in singles, Gregg Baker lost his opening round to San Augustine.

Representing Diboll in the district tournament in doubles, Alvino Santana and Gilberto Perez won the first round (6-1) (6-0) over San Augustine, but Woodville's top seeded doubles team claimed the second round. Galen Drake and Erik Lewis lost a split set (6-3) (4-6) (4-6) to San Augustine.

RIGHT—David Maxwell gets in some practice early in the season.

Following the same tournament schedule as the boys, the 1983 Girls Tennis Team made their best showings of the year in the Crown Colony and Wooden Tournaments. Delisa Kilgore was the most improved player on the girls team this year.

In the district tournament, Delisa won the first round (4-6) (9-8) (7-6), drew a bye in the second round, and lost (1-6) (1-6) in the third round. Susan Beene, Diboll's top player and a seeded player in district, drew much greater competition. Her scores in the first round were (3-6) (8-6) (3-6) against a very powerful opponent.

Both of the doubles teams drew strong competition and were out-matched in the first round.

LEFT—Susan Beene, Diboll's top singles player, has been a member of the tennis team for three years.

Members of the 1983 Girls Tennis Team are: Front Row—(left to right) Mona Wright, Delisa Kilgore, and Susan Beene. Back Row—Yolanda Compean, Karen Carnley, Stacie Craig, and Teresa Nash.

The Ladyjacks won district for the second straight season with an unblemished 8-0 record. They went on to defeat Rusk for the bi-district title before losing to Warren in the area playoff.

Against Warren, the Ladyjacks lost the first game 10-15, then came back to win the second 15-7. They thought they had the third game won before an unusual call gave Warren new life and they came back to take the area title 14-16.

The Ladyjacks' final season record was 18-6.

Coach Carol Drake gives the Ladyjacks some last minute instructions before the team breaks the huddle.

TOP LEFT—Gretchen Walker dinks the ball while Sandra Teal joins in the action. America's most renewable resource is its people

America is a nation of selfstarters...resilient, strong,
and free.

We can meet the challenges of future decades with the same
determination and resourcefulness that characterized our fathers
...and theirs before them.

But we must count the cost of our desires, and be willing to
discipline ourselves to meet premium goals.

Stand tall, America.

The figure shows the structure of the system, which is a network of nodes and edges. The nodes are represented by circles, and the edges are represented by lines connecting the nodes. The structure is hierarchical, with a central node at the top and several branches extending downwards. The branches are labeled with numbers, indicating the order of the nodes in the hierarchy. The figure is a schematic representation of a complex system, showing the relationships between different components.
