Hey, wait for us!

Is Dan working??

IN 87

The band looks GREAT!

DEFENSE!!!

A WINNING COMBINATION

For students at D.H.S. going to school means more than just attending classes. This was the year that students finally decided — "This is the year to make history." The school bond election was passed for a new high school to be built within approximately two years. The football team won district. The volleyball team won bi-district. The band made a one in U.I.L. Competition, and we now have a girls basketball team.

Rise and shine for band practice.

Heckle & Jeckle

The D.H.S. pep club!

It's true, it's true, it's true!!!

Well, you said you wanted a natural pose.

Who is that with the big mouth?

Sharon makes a perfect set.

Can we dress this way everyday?

K-Fox says, "Go Big Red"

WE'VE GOT

Football team and cheerleaders show spirit.

Seniors show their spirit with posters.

Number "1" band!!!

SPIRIT

"Yeah, I'm bad!"

Say What??

Seniors????

Hey Coach, what's in the hat?

Guess who!

BEHIND THE SCENES AT DHS

Each person at DHS plays an important part in the total school program. Administrators, teachers, and students have roles to play even though they don't always receive recognition.

Look what I see!!!!

Mr. Fasske always has spirit.

Mr. Dunlap reads the marching contest program, Mrs. Dunlap sleeps, and Mrs. Ingram watches.

The Alternate Learning Center

Jo Anna Cowart, Chris Sellers, Heidi Yates, and Rhonda Carnley hold the run through.

Diane, Evett, and Wendy are the base for the pyramid.

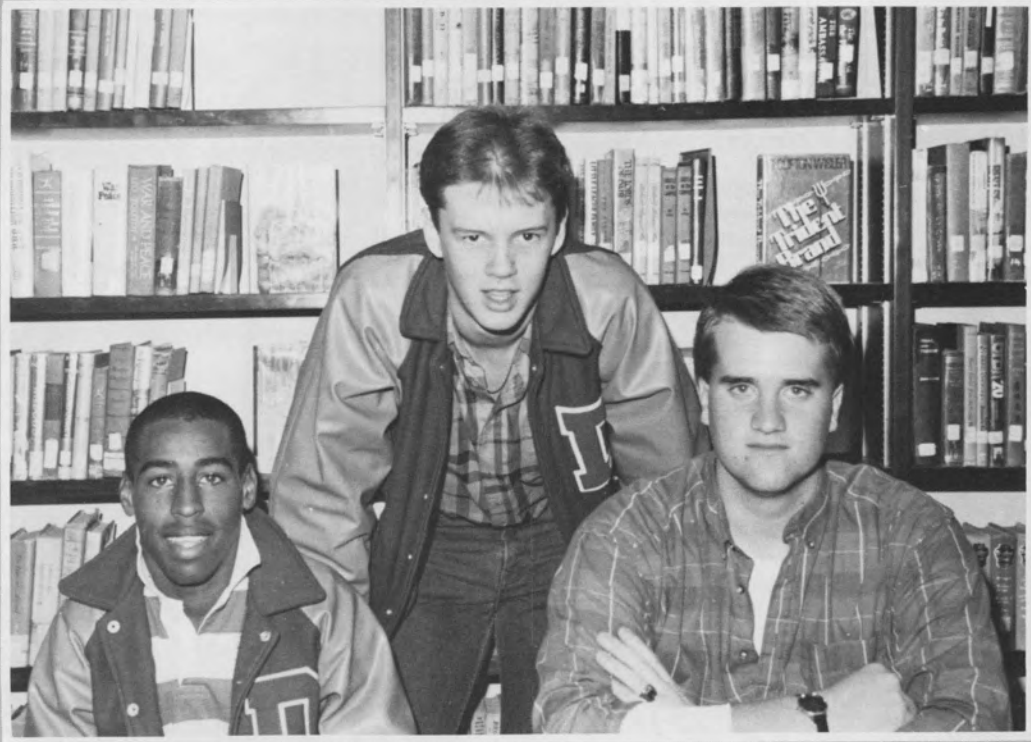

The students and parents support the team.

Please don't let them hit us again!!

**Four years before the Alamo, he
helped light a torch for freedom
right in the heart of East Texas...**

William Barrett Travis is best known by Texans as the heroic commander at the battle of the Alamo. But his leadership in the struggle for Texas independence began much earlier.

In 1832, his imprisonment by the Mexican governor at Anahuac in Liberty County so inflamed East Texans that they raised an army to free Travis and posted a document listing their grievances named the Turtle Bay Resolutions.

Travis's confinement and the Resolutions became a rallying point against the abuses of the Mexican authorities, and were among the first steps taken in Texans' fight for independence.

OUR TRACKS ARE MADE FOR 1986-87

And so we come to the close of our yearbook and another year at Diboll High School. During our many years here we have had many memorable experiences — some good and some bad, the good times will be remembered forever, the bad soon forgotten; but the memory of the people who took part in them will go on living. The students of the class of 1987 have grown very close over the years, and it will be hard to say goodbye. But, goodbye doesn't mean forever. Life goes on, but our paths will cross again, and at these moments we will remember the "old times". We are not ending our relationships with one another, just momentarily putting them on hold while we go out and experience life. In saying goodbye we also want to say thanks to all whose help has made our job easier.
